University of Peshawar

Vision

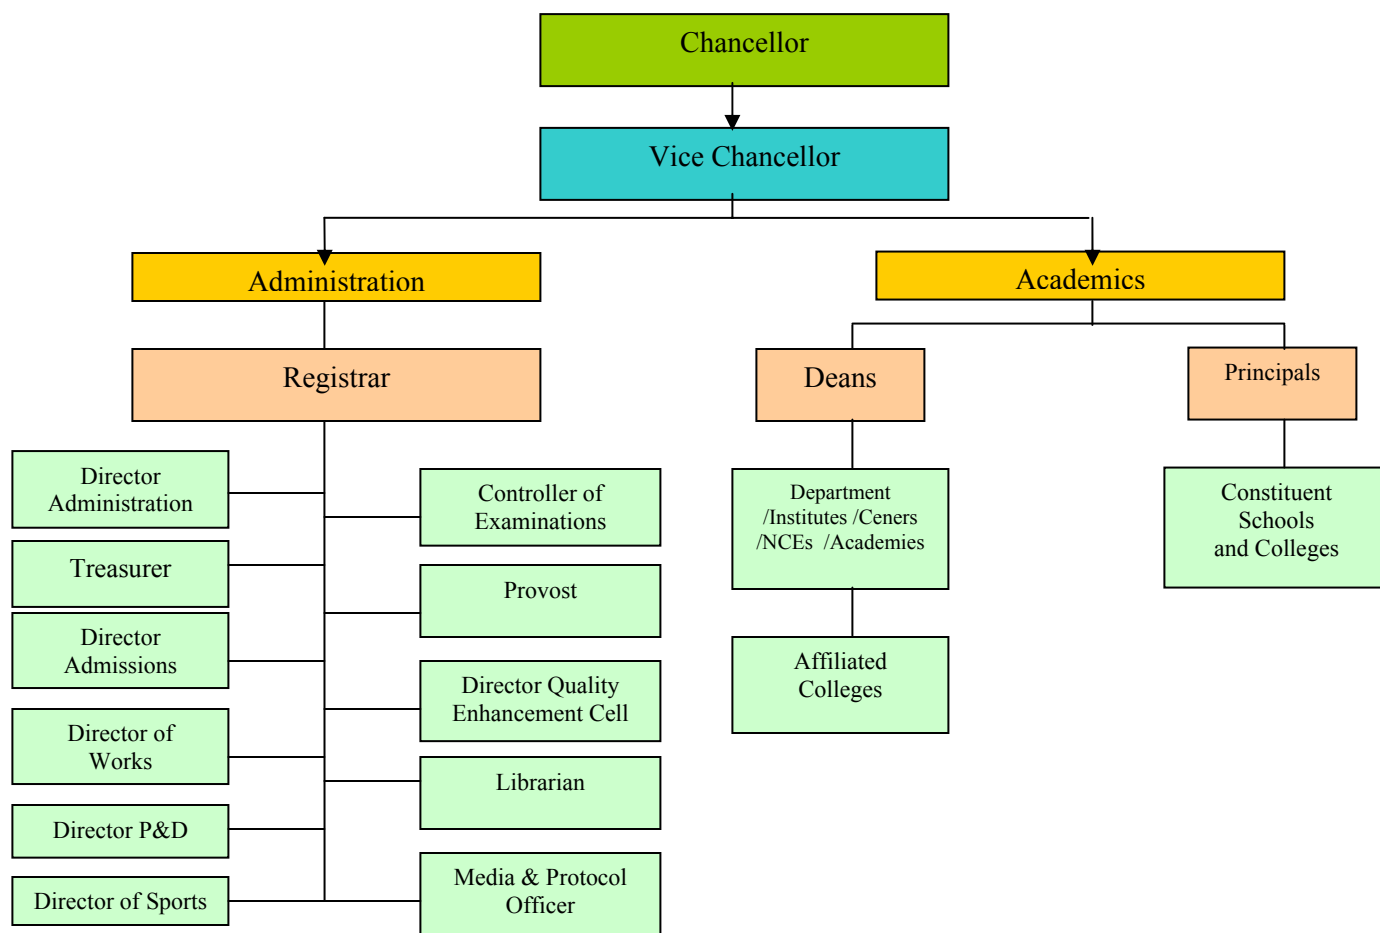

To be a prominent public sector university in the region recognized for its global perspective, diverse and supportive learning environment, having international reputation in research and creative discovery and emphasis on leadership development.

Mission

The University of Peshawar, a future-oriented and unique institution is committed to achieving excellence in the undergraduate and graduate education, research and public service. The University provides superior and comprehensive educational opportunities at the baccalaureate through doctoral and special professional educational levels.

The University contributes to the advancement of society through research, creative activity, scholarly inquiry, and development of knowledge. The University preserves and promotes arts, benefits the nation's economy, serves the citizens through public programs and is dedicated to the production of quality human resource for the knowledge-driven development of the country.

Administrative / Academic Heads

Vice-Chancellor's Message

The revolution in information technology has transformed the world making it a global village. We can no more live in isolation, even if we desire so. We have to shoulder our responsibilities at national and international level to play a leading role that commensurate with our status as citizens of a sovereign state.

To this end, we have to develop high standards on ethical, social, economic and scientific fronts. Such developments do not take place spontaneously; these demand efficiency, discipline and respect for others both at individual and national level. We cannot safeguard ourselves from the clutches of social evils which are corroding the very fabric of our society unless we change our social conduct and attitudes. For this, we have to emulate the essence of the teachings of our benefactors rather than merely practicing rituals and traditions in our mundane and spiritual interactions.

The university being the highest seat of learning must play its role to produce not only skilled workforce for the government machinery but also humane and sublime leadership capable of moulding the destiny of the nation.

The Annual Report of any organization assesses its achievements and effectiveness for the welfare of those who are both directly and indirectly concerned. It offers an avenue to highlight organizational strengths and weaknesses and to review its policies for better performance and optimal output.

The current report is a true picture of the events in the academic session 2006—2007 and is meant to be a guiding post in formulating our strategies for the next session. My request may not be very clement but the efforts and spirit behind it are noble.

In the end I pray to the Almighty to give us the strength and farsightedness to work whole heartedly for turning this university into a world class institution, a dream that we all cherish! God bless!

Prof. Dr. Mohammad Javed Khan
Vice Chancellor

Historical Perspective

The University of Peshawar founded in 1950, is the fulfillment of a dream, which had long remained unrealized. The first seeds of the University may be said to have been sown by Sir Sahibzada Abdul Qayyum Khan, who boldly conceived the idea and founded Islamia College – (The Dar-ul-ulum Islamia) in 1913 at the first out-post of civilization, almost at the mouth of the historic Khyber Pass. The founder of Pakistan, Quaid-e-Azam Mohammad Ali Jinnah, who perhaps saw the strategic role of Peshawar in his mind, on April the 12th, 1948, while addressing the students and teachers of the Islamia Collage Peshawar, made the following memorable statement:

“You have referred to the question of Khyber University. Let me tell you that nothing is dearer to my heart than to have University in the North-West Frontier Province from where rays of learning and culture will spread throughout Central Asia; and provided you go the right way about it, you will get your University sooner than you can imagine ”.

Two years after this memorable declaration of Quaid-e-Azam, a namesake of Sir Sahibzada Abdul Qayyum Khan and the first Chief Minister of NWFP Khan Abdul Qayyum Khan facilitated the establishment of University of Peshawar, hence the promise of the Father of the nation was fulfilled. On 30th October 1950, Shaheed-e-Millat, Khan Liaquat Ali Khan, the first Prime Minister of Pakistan, laid the foundation stone of this University with these words:

“It is with very great pleasure that I have come here today to perform the inauguration of the University of Peshawar. This is a historic day for the people of this province and for Islamia College which has been the center of learning for such a long time and which has played an important part in the creation of the University. The Government and the people of the province can take legitimate pride in their achievement as the inauguration of the University of Peshawar is an important landmark on the road to progress which the province is traversing so rapidly and yet so surely”.

The University of Peshawar, which started in a borrowed building of the Govt. Training School Peshawar (now Agricultural Training Institute) in 1950, has now developed into a first rate institution of the country as desired by its founder. During the course of the last fifty seven years, the University campus has grown into an educational township. The University of Peshawar had been cut into pieces. Three of its leading/ constituent faculties, viz, Agriculture, Engineering and Medical have been deliberately detached from it which has enormously diluted its status. As such the University has given birth to two other Universities and one medical college, which are working at the same premises. The campus is spread over 1050 acres of land. It is situated at a height of 1,138 ft, above sea level and is at a distance of about 6 km, westwards from Peshawar Cantonment on the way to Khyber Pass.

University of Peshawar is a public sector teaching, and research institution, with a number of affiliated colleges of the province. It caters for undergraduate, postgraduate and

Professional level teaching and research programs. It is a residential University, where more than half of the teaching staff, other employees, and students live on the campus.

The University prides itself on its abundant lush green lawns, numerous flower – laden gardens watered by the canal coming from BARA and KABUL rivers and conglomeration of buildings both of medieval and modern types, overshadowed by a purple range of western mountains, with TATARA as the highest peak. It is a unique Institution in Pakistan and perhaps in the world, that imparts education from the nursery level to the highest Ph.D. degree level. The campus has its own shopping centers, health care centers, both for males and females and community centers.

The University of Peshawar started its function in 1950 with five teaching departments and a total enrollment of 129 students, only one of whom was a girl. At present the University has six faculties consisting of 40 postgraduate departments, a Pashto Language Academy, two undergraduate degree colleges, three schools, and six research centers. The overall enrollment of the university including resident students of affiliated colleges as well as external students stands at 1,06,159. In terms of staff, the University started with 15 teaching faculty and 27 para-teaching staff in 1950. At present the University has 597 teaching staff, and 2400 para-teaching staff and 279 school teachers.

University of Peshawar has a summer campus at Bara Gali at an altitude of about 8000 ft above sea level which spreads over an area of 67 acres. It was an abandoned cantonment of British period, which was handed over to the University of Peshawar in August 1965 by the then President General Ayub Khan. Since then it is used as Summer Campus of the University. In summer it is a hub of academic activities particularly conferences, seminars, workshops and symposia organized by various faculties / institutes. It has also been the center of the Staff Training and Research Institute of the University of Peshawar for the past couple of years.

The University of Peshawar has recently been awarded a park land of 87 acres by the Chief Minister NWFP, Mr. Akram Khan Durrani for the establishment of a Center of Bio-diversity at Azakhel at a distance of 35 km from Peshawar metropolis. The Center is being established with the financial assistance of Higher Education Commission and under the active academic support and co-ordination from Chinese, Japanese and American experts. The center will be one of the leading Bio-diversity center of international standing.

The University of Peshawar has got to its credit the provision of wireless internet facility to its residents and the entire campus.

The University of Peshawar is one among the five leading Universities of the country given the facility of international computer driving License (ICDL) for the benefits of the staff.

The University of Peshawar is proud of having the 1st Environmental Sciences Department on the national level. It is also having the 1st high powered Centralized Resource Lab on national level. One nuclear Medicine Research Lab and one phyto Chemistry Lab and a sophisticated material resource Lab is being established.

Executive Summary

University of Peshawar strives to be a prominent public sector university in the region recognized for its global perspective, diverse and supportive learning environment, having international reputation in research and creative discovery and emphasis on leadership development. The University pursues a policy of providing access to quality education relevant to the demands of the society.

During the year, the enrollment of the University was 106159, including 10,018 at undergraduate, 61818 at graduate, 33982 at post-graduate, 222 at M.Phil. and 119 at Ph.D. level. Besides, the university also cater to the needs of those students (Private) who for some reasons do not make it to the University as regular students.

To provide quality education, the faculty development programme of the university provides opportunities to the faculty members for enhancement of their qualifications through M.Phil. and Ph.D. programmes both at national and international institutions.

The faculty is also encouraged to develop knowledge repositories in the form of local, national and international research publications. The faculty has published 13 refereed journals, 19 books and 219 research papers. Besides, the faculty has been involved in organizing and participating in 291 conferences, seminars and workshops both at national and international level. In addition, a total of 59 trainings were received and imparted by faculty both at national as well as international level during the year. University of Peshawar has been strengthening academic and research linkages as well as creating new ones with institutions both national and international. New Memoranda of Understandings have been signed with six international institutions while four are under process. Similarly linkages with four national institutions have also been established.

Teacher's research projects, to the tune of Rs. 3.36 million were funded from University's budget and Rs. 6.505 million by HEC. Apart from that the HEC has provided a total of Rs. 7.974 million for miscellaneous academic activities.

Financial support to the tune of Rs. 13.325 million was extended to 851 students of the University by the District Zakat Committees, Political Agents, Higher Education Commission and University of Peshawar.

Directorate of Sports remained actively engaged in Sports activities. The University teams not only took part in various local and national games but the Directorate of Sports in collaboration with HEC organized several sports events on local, provincial and national level wherein numerous distinctions were achieved by the University.

Student societies are the principal vehicles through which the various activities on the campus are triggered off in order to give vent to the student feelings and enhance the vision of the youth in nation building process. All the twelve societies in year round activities pursued their assigned objectives.

The University assessed 109562 students/candidates at Bachelor, Master and Professional level examinations in 2006-07.

The Directorate of Works completed 33 minor civil works at a cost of Rs. 4.515 m whereas 17 works are in progress at a cost of Rs. 8.372 m and 14 works are tendered at a cost of Rs. 3.782 million.

During the year development projects worth Rs. 316.965 million have been completed, while projects worth Rs. 1190.8 million are on going and new projects worth Rs. 73.641 million were approved with the support of the Higher Education Commission and Mega Project worth Rs. 2400 millions is under process.

The Quality Enhancement Cell (QEC) is actively pursuing self assessment programme through a mechanism as per HEC guidelines. Recently institutional assessment was carried out according to the model provided by the HEC. University of Peshawar secure A Grade according to that model.

The University held six convocations in the year 2006-07 including P.A.F. Academy Risalpur, Artillery School Nowshera, Ayub Medical College Abbottabad, University Postgraduate Departments, Islamia College Peshawar and College of Home Economics. The Chancellor / Governor N-W.F.P presided over the events and awarded degrees, medals and cash awards to the graduates.

A youth conference was also held under the auspices of the societies in order to short list youth for the final round of youth conference organized on national level. Several walks on the campus were also organized by the societies for different purposes.

The Library Staff imparted training to the faculty of 17 Departments and three Colleges on the use of Digital Library and online resources. Also training was arranged for the staff on integrating computer under the auspices of staff training Institute (STI).

The Media & Protocol Office issued 55 press releases in both English and Urdu to print and Electronic Media within the period from 3rd March, 2007 to 9th Oct, 2007. Details given inside.

Faculties

Introduction

As stipulated in the University of Peshawar Act, 1950, the University shall include faculties of Arts, Science, Law, Engineering and Technology, Theology, Education, Agriculture and such other faculties as may be prescribed by the statutes. With the elevation of Faculty of Engineering and Agriculture to full-fledged Universities in the early Eighties, the University had five faculties for quite a long time till 2003. In the year 2003, the faculties were re-organized and re-constituted. At present the University of Peshawar is having six faculties.

Faculties Setup

The six faculties are categorized on the basis of teaching departments / colleges which have been prescribed by ordinances. The Faculty of Arts & Humanities, the Faculty of Islamic & Oriental Studies, the Faculty Life & Environmental Sciences, the Faculty of Management and Information Sciences, the Faculty of Numerical and Physical Sciences and the Faculty of Social Sciences respectively comprise 6,7,9,5,5 and 9 teaching departments and colleges. The faculties' setup is as under:

Functions of Dean

There shall be a Dean of each faculty who shall be the chairman and convener of the Board of Faculty. The Dean of each faculty is appointed by the Chancellor from amongst the three senior most professors in the Faculty. The Dean shall normally hold office for three years. The functions of Deans shall be as follow:

- Providing academic and administrative leadership to the Faculty for setting and advancing the strategic academic direction of the Faculty.
- Shall have the vision for the Faculty in line with the University vision. Shall have the mission translate the vision of University into reality.
- Shall put up determined efforts in securing developmental funds for infrastructural development, research and teaching facilities for improvement in the Faculty. Substantial funding for higher education from HEC are available and must be secured on a priority basis at all level of the University. The Dean would be expected to play his crucial role in such an important activity involving the following:
 - Setting up permanent developmental committee including all the chairpersons/directors. Such committee shall regularly meet to consider all the submissions from the departments.
 - In achieving the objective he/she shall be appreciative of departments/directorates.
 - Developmental projects should be one of the major activity of the faculty and the Dean would be expected to take it as a major challenge
- Shall be chairing faculty board meetings.
 - All Faculty board meetings should be prescheduled and be in the University's Almanac (Annual Calendar)
 - All such meetings shall have uniform format of agenda and recording of the minutes
 - Deliberation of such meetings shall be permanent record and shall be retrievable in the future
- Shall be responsible for the effective and smooth running of the affairs of the Faculty.
- Shall be answerable to the Vice-Chancellor
- All communication from the departments etc. must be routed through the Dean.

Faculty of Arts and Humanities

Vision

To seek promote and achieve excellence in knowledge-based education and research

Mission

The mission of the faculty is to produce graduates of high caliber to shoulder future responsibilities. The faculty is striving hard to have trained, qualified and competent teachers and researchers to cope with emerging global developments in all fields of research. The departments and faculty members are encouraged to establish academic links/projects with national/international universities and research institutes for the promotion of education and welfare of the civil society.

Department of Anthropology

Vision

The future vision plan for improvement of the quality of academic and research contains the following main features:

- Expansion of the building
- Provision of the related facilities according to the numbers of students
- Development of library
- Development of computer lab
- Institutionalizing research journal
- Collaboration of the department with other universities for establishing exchange programme.
- Staff development to enhance their research capability by offering them M.Phil./Ph.D. Programme.
- Organizing short courses in crucial areas.

Mission

- The services rendered by the department to the community. These technical services are provided to government and non-government organization in the following sectors. Hospitals, Violence against women, Schools, Women organization, Village organization, Population welfare, Child Labour, Human resource development, Crimes in Pakistan, Water and sanitation, Slums problems, Street working children, Industrial units, Ethnicity sectarianism, Tourism problems, Family welfare center, Child welfare organization
- A formal committee has been constituted for engagement with society and industries for provision of services, seminar, training courses, consultancy and for other related requirements of the department.

Objectives

- To provide up to date knowledge of the social development and culture change in the society
- To develop insight into the problems and issues prevailing in the society
- To develop interest in students community about their social issues in changing trends in the global society as a whole.
- To develop skills and attitude in prevailing issues in the society of Pakistan which is disturbing the integration of the society?
- To develop consciousness in the students community about the internal forces and external competition affecting the society at large.
- To develop sensitivity in students about the prevailing issues and problems facing to Pakistani society and Muslim world at large in the presence of external forces inhabiting unity in the country as well as in the Muslim world.
- To make students aware of the disturbing issues such as extremism and terrorism in the present situation which is affecting the society and putting stigma on the fair face of the Muslim world?
- To enable students to investigate the causes and factors which need weaken the society as a whole and making its future uncertain and uncharted.

27.	Impact of Population Growth on Socio-Economic Variables of Peshawar	Nasir Ullah Khan Khizar Ali Changaiz Khan

Department of Archaeology

Vision

Pakistan happens to be a country of rich archaeological heritage by default. This Department, being a part of higher education system, would stress on producing skilled graduates who after absorbed as useful members of the society would work for the preservation and promotion of tangible cultural heritage of the country. This will not only ensure the positive image of the people but also add to the promotion of foreign exchange by attracting tourists from all over the places from inland and abroad.

Since its establishment in 1962, the Department has been imparting quality education in different fields of Archaeology and providing skilled personnel to the society. It also endeavours to arouse awareness among the masses to preserve our rich tangible cultural heritage on one hand and the spirit of promoting research on the other. We also aim at establishing the Institute of Archaeology to promote knowledge at an advanced level. The Department also trains students in co-curricular activities making them more refined and confident to take an active part in their social life.

Mission

The Department is committed to produce skilled professionals, in various fields of Archaeology at M.A. M.Phil. and Ph.D. levels.

Objectives

- The Department was opened to train students for the better interest of the subject, nation and the country. We are the first to be credited for starting teaching and research in Archaeology. The first and foremost mission of the Department is to produce skilled personnel for promoting Archaeology at national and international levels.
- Ours is research-oriented job. We create sense of research amongst the students while graduating here. They get advanced training in and abroad in different fields of their interest for the promotion of knowledge in diverse areas of specialization.
- The Department is also engaged in arousing awareness among the general masses to realize the status and importance of tangible and intangible cultural heritage of the country. Dissemination of relevant knowledge has greatly helped in promoting this awareness resulting in preservation of archaeological sites and monuments. Now the people are showing keen interest in reconstructing cultural heritage and ancient history of our homeland just because of the struggles of the staff and students of the Department.
- The Department plays an instrumental role in promoting cultural tourism thereby accumulating foreign exchange to the government treasury. The protected monuments all over the country are frequently visited by tourists that also form a constant source of our income.
- Our mission is also to strengthen political relations with the neighbouring countries by interacting with them in the domain of teaching and research. We are making progress in signing research projects with the top class Universities and Museums world over to delve deeper the roots and developmental march of civilizations that flourished on this soil. We are also aiming at sharing information pertaining to our subject with the international experts through holding seminars and conferences that are attended by a large number of renowned scholars and intellectual from different countries of the world. This is our mission to generate leadership qualities among the students and scholars of the Department to vie with their counterparts in other disciplines specially designed for the purpose.

Department of History

Vision

To establish itself as the premier social sciences program at the M.A., M.Phil. and Ph.D., levels in Pakistan, at least in the public sector. In a social sciences program, the principal determinants of research output are the strength of the faculty, both in qualitative and quantitative aspects, and the level of enthusiasm and competence of the students enrolled.

Mission

Our mission is to create a class of educated people who are conscious of their glorious past to inspire them to achieve an even better future and who are also mindful of the pitfalls of history that have caused the downfall of great nations and mighty civilizations in order to avoid that same mistakes from being committed. Our mission is to build a strong, prosperous and enlightened Pakistan by inculcating the spirit of freedom, liberty, self reliance and modernity among our students to spread it further among all the people of Pakistan.

A graduate of the Department should be capable of recognizing how study of the past may be used for the betterment of the future. Our graduate should be able to recognize the value of true research and human values for furthering national and international peace and harmony. They should be able to demonstrate sufficient capability to be objective, analytical and methodic individuals.

Objectives

- The Department aims at imparting education which would enable the graduates in providing the necessary data for better planning of the present and future. Without historical record, no sound planning can be done. Therefore, the Department envisages to educate the students in not only collection of material about the past but also in recording the present social, political and economic developments for the sake of future guidance and planning.
- To produce graduates with a deeper understanding of their own history and the history of other nations so that they may contribute in bridging the gulf between the people of different nations and to help in the process of 'dialogue between civilizations'.
- To encourage an impartial and objective reading and writing of history so that our present and future generations may know about the merits and demerits of the deeds of their predecessors and move forward to shape up a better future for themselves.

Faculty of Islamic & Oriental Studies

Vision

Master, M.Phil. Ph.D. programmes are already in progress in the Departments of this Faculty. We intend to start Diploma and Certificate Courses in Persian and Arabic for the graduates of Medical, Engineering and other disciplines of the University to enable the interested ones to play a useful role in the markets of neighbours Iran, Afghanistan and other countries of Central Asia as Peshawar University situated in NWFP is the gate-way to these countries. Department of Urdu of this Faculty is working on the degree courses of Urdu informatics in near future.

Mission

Struggle to develop harmony, peace and mutual respect for human being through Islamic and Seerat Studies. Arabic, Persian, Urdu and Pashto are the main languages of the Islamic world. The mission of this Faculty is to convey and impart not only knowledge of these languages, but to strengthen spiritual links with the whole Islamic World and Preaching of cultural/spiritual values through the rich literature of oriental languages.

Department of Arabic

Vision

The Holy Quran states, "Say thou how would those who know would be equal to those who do not know?" This sound principle exalts the place of knowledge as the ultimate tool for enlightenment and exhorts all human beings to gain knowledge.

The Prophet also said, "The most righteous of people is the one who brings the greater good to the community." Because of this, the most beneficial of all deeds is one that continues to bear fruit for generations to come. Waqf (endowment) has been an essential component in the building of Islamic civilization.

Wishing to rekindle and spread the great and noble virtue of learning that has marked the Arab and Muslim worlds in earlier times, WE are establishing

Objectives

Our intention is to create an enduring model for advanced education and research. A complete residential and academic compound will permit the faculty, staff, students, associates and their families to enjoy a rich and broad range of educational programs and social amenities. In providing a strong foundation for all aspects of life and work in the University, we aim to ensure its success in promoting the cultural & economic development and social prosperity of the people of the Pakistan and of the world.

Pashto Academy

Vision

A new discipline of Rohology (Pashtoon Culture and Language) was introduced. The Vice Chancellor was kind enough to approve a committee of experts in this field among the renowned personalities from Sindh, Balochistan and the Punjab to guide and assist us.

Mission

- Established Rohology Section
- To complete and declare the result of previous M.Phil./Ph.D. students and to lead the eligible students for Ph.D. under the rules and regulations of the University of Peshawar M.Phil./Ph.D. statutes.
- To supervise and maintain the heritage Museum and Art Gallery being constructed.
- To collect cultural Items related to all aspects of Pashtoon Society.
- To persevere the old Pashto manuscripts.
- To create high caliber scholars through intensive research training.

Objectives

To Struggle for the uplift and welfare of Pashtoon through Pashto literature and language.

Department of Persian

Vision

Department of Persian has a broad vision for the future to enhance and promote Co-ordination with other languages and departments and will enhance the efforts to alive the candle of a language, which is spoken through out Central Asia. Because in this department there are foreign qualified teachers with advanced foreign degrees

Mission

Persian Language is one of the oldest and the most influential languages on Urdu and other languages of sub-content. Department of Persian is the only hope and satisfaction to keep the language alive in this province to fill up the gap of the fast vanishing scholars of Persian by producing M.A. M.Phil. and Ph.D. Apart from the importance of Persian language; we focus on strengthening cultural linguistic and spiritual links with other Islamic countries. Persian is burning need for our own society to promote our cultural and spiritual values as well as historiography of Pakistan.

Objectives

Our objectives are to promote language and impart deeper knowledge and understanding of Persian language and literature, as the enormous size of original scriptural material of the golden age of the entire Muslim history of the subcontinent almost all in Persian.

The period of Muslim ascendancy on South Asia is often referred to as the golden age of the history of Muslim in subcontinent. The original material of the history of Muslim ascendancy in India is almost all in Persian.

It is saddening to observe that scholar of history who also possess a good knowledge of classical Persian are fast disappearing. There is hardly any university teacher from Peshawar to Karachi who can directly read the original Persian source material and due to lack of proficiency in Persian they read books written by western writers and Indian historians and learn their own history from books written by alive hands. So our objective is to light the candle of this language and promote it through out the country.

Department of Seerat Studies

Vision

An environment of mutual respect, tolerance and harmony based on the universal teachings of Sirah.

Mission

These objectives would be achieved through the following strategy:

- Conference/Seminars/Workshops would be held.
- Regular Course Work of 36 days.
- Higher Education Commission, (HEC) sponsorship would be sought for inviting Sirah Scholars. University of Peshawar and Higher Education Commission (HEC) would be approached for funding the library.

Objectives

- To Promote general research on Seerat Studies with the help of the original / primary sources.
- To train the researchers in the field of Seerat Studies to adopt critical methods in Sirah historiography.
- To introduce special Certificate Courses on original sources of Sirah for Specialized group of research.
- To work for developing a rich library of Sirah stocking original and secondary sources.
- The papers read by eminent scholars of Sirah would be published to be titled: KHUTBAT_I PESHAWAR (such as Khutbat-I Madras by syed suleman Nadvi and Khutbat-I Bahawalpur by Dr Hamid Ullah)

Prof.Dr.Qibla Ayaz Seerat Al-Nabi (SAW) on April 14, 2006 (One year),
Methodology of Research in Islamic Studies Studies from 8/5/05 to 13/5/06 (One Week)
Research Proposal Workshop on July 14, 2007

Department of Urdu

Vision

- Formation of linguistic department with the collaboration of Urdu department.
- Making Urdu as a national language in letters and spirit.
- Making Seminar Library a Digital Library

Mission

Aristotle says that every activity must have an end but when it is completed. It becomes a mean for further end. He stresses upon ultimate end. And the ultimate end of human activities is "Men's function as a man "Not as a Doctor, not as a Teacher etc.

Objectives

During new Academic year Urdu department intends to start following new courses.

- Hindi Course
- Teaching of Urdu Course
- Coaching classes for M. A Private Students of the Areas within Jurisdiction of Peshawar University.
- Training Programme of Male and Female teachers with the collaboration of HEC (Two week Course)
- Designing of a website for Urdu department.

Teaching Staff

Name	Qualification	Area of	Designation
Dr. Sabir Kaloorvi	M.A. (Peshawar) Ph.D. (Punjab)	Urdu literature (Iqbaliat)	Associate Professor (Chairman)
Dr. Nazir Tabbasum	M.A. (Peshawar) Ph.D (Pesh)	Literature Urdu (NWFP Poetry)	Associate Professor
M. Zubaida Zulfiqar	M.A. (Peshawar)	Urdu Literature	Assistant Professor
Dr. Robina Shaheen	M.A. (Peshawar) Ph.D. (Peshawar)	Criticism	Lecture

Faculty of Life & Environmental Sciences

Vision

Exploration of natural resources, acquisition of scientific knowledge, development of indigenous technologic base and sustaining clean environment for improvement of the life style of society.

Mission

To inculcate a desire for acquisition of logical and scientific knowledge amongst our youth through quality education, development of skills for critical thinking and involvement in research.

Faculty Requirements for 2007-2008

Provision of sufficient space for all the Departments
Acquisition of latest books and scientific journals
Scientific equipments for all Departments
Improving Computer and Internet Facilities
Appointment of High qualified Faculties

Centre of Biotechnology

Vision

To reinforce the belief that life owes its existence to Almighty Allah who orders us to think and ponder all that He created.

Mission

Biotechnology is a powerful emerging technology, with applications that have the potential to revolutionize many industrial sectors including agriculture, forestry, pharmaceuticals, health, chemicals, textiles, food processing, environment, industries, energy and mining. Biotechnology development around the world is moving fast. Keeping in view the dire need to equip the students and researcher with latest knowledge, and research in this field, the Centre of Biotechnology was recently established at University of Peshawar.

Objective

- To teach quality education to our students in Bachelor of Biotechnology (BBT).
- To create environment conducive to academic attainment & educational excellence.
- To train our students through discussions, presentations, and conceptual tests.
- To conduct/arrange research facilities in divers fields of Biotechnology.
- To conduct basic, applied and advanced research.
- To contribute in the development of human resource in the context of rapidly changing scientific and technological environment so as to ensure national survival in the present climates of cut throat competition.
- To Impart advance level research oriented knowledge to M.Phil./Ph.D. students.

Teaching staff

Workshops Attended

Attended by	Title	Sponsoring Agency
Staff	International Workshop on Modern techniques in Molecular Biology and Immunology.	HEC
Staff	Complex System Summer School (CSSS)	Santa Fe Institute (SFI), Santa Fe, New Mexico, USA.
Staff	First National Pakistan Proteomics Society (Road Map to Proteomics Research) Life Sciences	HEC
Staff	US-Pakistan international workshop on "Molecular Biology-A tool for the future"	HEC, US Pakistan International Workshop System
Staff	5th national workshop on "Modern techniques in Biotechnology"	HEC

Research Projects Grants from University Budget

Title	Name of Principal Investigator	Capital Cost
Quality Control of Radio Pharmaceuticals	Dr. Bashir Ahmad	Rs. 4,27000
Phytochemical Evaluation of Medicinal Plants	Prof. Dr. Muhammad Nisar	Rs. 510000

Extra-Curricular Activities:

- Biotech Science Circle: Society of the students of the Centre of Biotechnology established in the year 2006. It has organized seminars, students science fair 2006, has published two News letter (Bio explorer) and is involved in organizing Science Debates etc.
- COB Talent Club Society: It has been established in the year 2005 and is organizing various Sports Activities, like COB Talent Cricket Tournament 2005, 2006, and 2007. This society has also organized QUIZ Competition 2006 and Debate Competition 2006 in the Centre of Biotechnology.
- Students and Staff members of the Centre of Biotechnology actively participated in the Annual Cleanliness day in the University of Peshawar.
- In the year 2007, Eid Miladu-n-Nabi was celebrated in the Centre of Biotechnology.
- Students of the Centre of Biotechnology are the members of various Societies of the University like, Khyber Literary Society.
- Centre of Biotechnology, first prize winner of the Inter Departmental Science Quiz Competitions 2006, organized by the Science Society of the University of Peshawar.
- 4th position in university of Peshawar Science Exhibition 2007.

Budgetary Provision of the Department

Head	Amount

Mr. Abid Jan, Gold Medal for the second batch of Biotechnology 2002-06

Study Tour

Detail
One day tour of the 5 th term of the Centre of Biotechnology to Khewra Salts Mine in March, 2007
Two days tour of the 7 th term students to Bara Gali Campus in May, 2007
One day tour of the 3 rd term students of the Centre of Biotechnology to Tarbella Dam in June, 2007

Department of Botany

Vision

To improve the quality of education and status of learning, teaching and research in the field of botany nationally and internationally.

Mission

The Department is committed to train students and scientists for the uplift of the community through teaching, research and participation.

Objectives

Teaching, Research, Consultancy, Extension and Community welfare.

Teaching Staff

Conference / Seminars / Workshops attended by faculty members during 2006–07

Name	Title	Sponsored by
Ghulam Dastagir	Training of Teaching staff how to vote & train students.	The Asia Foundation
Naveed Akhtar	DNA Isolation	Hazara University
Naveed Akhtar	Teachers training in Biodiversity	Agriculture University Peshawar

Student Enrollment

Master	M.Phil.	Ph.D.
188	19	09

Tours Organized for students:

- Salt Range (Ketas), Kewra
- Malakand Hills
- Baragali Campus
- Akbarpura
- Swat
- Azadkashmir, Muzaffarabad.

Center of Plant Biodiversity

Vision

Pakistan is naturally gifted with wide geographic, topographic and altitudinal variations, creating highly diversified micro and macro-habitats for Plant Natural Resources. Habitat loss, overgrazing, deforestation, pollution, species invasion and diverse biotic interference have threatened Plant Biodiversity but on the other side, there is extreme scarcity of skilled Human Resource capacity in the entire Country for exploration of such resources. This can be judged by sustainable biodiversity conservation activities in the form of existing botanical gardens, herbaria and research laboratories throughout the country. In prevailing rapidly changing world scenario on Convention on Biological Biodiversity (CBD), Global Strategy for Plant Conservation, National Conservation Strategy (NCS), Provincial Conservation Strategies (PCS) and National Biodiversity Action Plan (BAP-N), it is extremely demanding need to focus on Conservation and development of National Plant Natural resources and to take capacity building measures for this purpose. Therefore, creation of “Centre of Plant Biodiversity” was visualized.

Mission

The Centre of Plant Biodiversity (CPB) is aimed to develop a Botanical Garden spreading over an area of 100 acres at Azakhel, Nowshera, including the provision of herbarium, museum, research laboratories, botanical nurseries, green houses, conference hall, lecture theaters, library and faculty offices for training of students for the award of certificates, diplomas, M. Phil. and Ph. D. degrees in various disciplines of Plant Biodiversity.

Objectives

- To create national research centre of excellence in the diverse fields of Plant Biodiversity including Plant Systematics, Conservation Biology, Medicinal Plants, Ethnobotany and Cryo-preservation.
- To develop and manage scientific collection, documentation and preservation of regional plant natural resources in the Herbarium, as permanent source for research.
- To grow and manage protection of rare, endangered and valuable individual species (*ex-situ* Conservation) from diverse habitats of the region in the University of Peshawar Botanical Garden (UPBG) as a living permanent record for education, research, capacity building and healthy recreation.
- To provide a nodal point for national botanical database management.
- To represent and promote Pakistan internationally within the botanical database management field.
- To provide a basis for conservation, sustainable management and use of national plant natural resources.
- To pursue research, education and training relevant to various disciplines of Plant Biodiversity.
- To play vital role in implementation of Convention on Biological Diversity (CBD), Global Strategy for Plant Conservation, National Conservation Strategy (NCS), Provincial Conservation Strategies (PCS) and National Biodiversity Action Plan (BAP-N).
- To create healthy academic and recreational avenues for various segments of the Community.

Research Projects

In Progress Floristic, Phytogeographic and Ethnobotanical Studies of Vascular Biodiversity in Swat-Kohistan (Upper Swat) Hindukush Range Swat

Developmental Projects

In Progress Establishment of Botanical Garden at University of Peshawar

Proposed Strengthening of University of Peshawar Botanical Garden
Establishment of Centre of Plant Biodiversity at University of Peshawar

Visits by Foreign Professors/Scientists

- Dr. Mary E. Barkworth of Utah State University, Logan, USA
- Professor Dr. Pei Sheng Ji, Xinjiang Institute of Ecology and Geography, Chinese Academy of Sciences
- Professor Dr. Pan Borong, Xinjiang Institute of Ecology and Geography, Chinese Academy of Sciences
- Prof. Dr. Liu Xinjiang Institute of Ecology and Geography, Chinese Academy of Sciences
- Dr. Peter Raven, Director Missouri Botanical Garden, USA (Proposed)

Visits by the Faculty members to Foreign Institutions

- Utah State University, Logan, USA
- Missouri Botanical Garden, USA
- Denver Botanical Garden, USA
- University of Oxford Botanical Garden
- KEW Botanical Garden
- Department of Botany, University of Tokyo, Japan
- Kohishikawa Botanical Garden, Tokyo Japan
- Beijing Botanical Garden Beijing, China
- Wuhan Botanical Garden CAS, Hubei China
- Institute of Botany CAS Beijing China

Workshops/Seminars/Symposia

Attended by	Title	Dates	Place
Staff	First International Weed Science Conference	October 23-26, 2003	Peshawar
Staff	Conservation and Sustainable Uses of Medicinal and Aromatic Plants of Pakistan	December 2-4, 2003	Islamabad
Staff	National Workshop on Conservation Linked to Livelihood Improvement held at Mingora Swat	February 22-24, 2004	Mingora/Swat
Staff	6 th National Weed Science Conference	March 20-30, 2005	Peshawar
Staff	Current Trends in Flowering Plant Systematics	29.8—01.09, 2005	Karachi
Staff	2 nd International Weed Science Conference	April 24-27, 2006	Rawalpindi
Staff	Proceedings of Pakistan Botanical Garden Conference “ Action for Botanic Gardens Network in Pakistan”	March 24-25, 2006	Lahore

International Conferences/Symposium

Attended by	Title	Dates	Place
Dr. Abdur Rashid	Today's Himalayan Botany	March 6-13, 2006	Tokyo, Japan
Dr. Abdur Rashid	VI International Congress on Education in Botanic Gardens	September 10-14, 2006	Oxford, UK
Dr. Abdur Rashid	3 rd Global Botanical Garden Congress	April 16-20, 2007	Wuhan, China

Workshops/Seminars/Symposia Organized by the Faculty**Conferences arranged**

Title	Dates	Place
HEC First National Workshop on "Training of Trainers in Plant Biodiversity".	November 23-25, 2006	Peshawar
Second National Workshop on "Training of Trainers on Conservation Strategies for Plant Biodiversity of Pakistan".	August 20-21, 2007	Peshawar

Books/Monographs Published

Compilation of a Text Book on the "Plant Systematics" for B. Sc., M. Sc. and Research Students is in progress.

Research Publications

Title	Journal/Proceeding/Abstract
Medicinal Remedies Used By Torwal and Gujars Communities of Mankial Valley, Hindukush Range Northern Pakistan	To be Presented at Plant Biology and Botany 2007 Joint Congress to be held from 7-11 July, 2007 in Chicago, USA
University of Peshawar initiatives for ex-situ Conservation	3rd Global Botanical Garden Congress held at Wuhan China, April 16-20, 2007

MOUs Signed

- Department of Botany, University of Tokyo, Japan
- Kohishikawa Botanical Garden, Tokyo Japan
- Xinjiang Institute of Ecology and Geography, China
- Utah State University Logan, USA
- Missouri Botanical Garden St. Louis, USA
- Denver Botanical Garden, USA
- Beijing Botanical Garden Beijing, China
- Wuhan Botanical Garden CAS, Hubei China
- Institute of Botany CAS Beijing China

Faculty Requirements for 2007-09

Infrastructure (Physical, i.e. total additional space required)

The management of the Centre of Plant Biodiversity has managed to acquire 100 acres of land at Azakhel, for University of Peshawar Botanical Garden. Construction of Herbarium and Academic Block spreading over an area of 9698 sq. ft. is in progress.

Institute of Chemical Sciences

Vision

To be a regional institute of excellence in chemical and allied sciences

Mission

To make the institute vision a reality. The institute of Chemical Sciences is committed to the Training of graduates of international standards at M.S.c, M.Phil. and Ph.D. levels in areas of chemistry including Analytical, Applied, Bio, Environmental, Fuel, Inorganic, Nuclear & Radio (nuclear medicine), Organic and Physical Chemistry. Conducting quality basic and applied research, offering consultancy to local industries and institutions and to participate in community development projects.

Objectives

The Institute of Chemical Sciences is committed to the training of graduates of international standards at M.Sc., M.Phil. and Ph.D. levels in areas of chemistry including Analytical, Applied, Bio., Environmental, Fuel, Inorganic, Nuclear & Radio (nuclear medicine), Organic and Physical Chemistry, Conducting quality basic and applied research, offering consultancy to local industries and institutions and to participate in community development projects. The Institute will continue to work with in its current mission statement and will cater to the needs of students seeking admission in various academic programs.

Teaching Staff

Name	Qualification	Area of Specialization	Designation
Dr Haroon Rashid	M.Sc. (Peshawar) M.S (USA) Ph.D. (Peshawar)	Inorganic Chemistry: Nuclear and Radiochemistry, Coordination Chemistry, Environmental Analysis and Green Chemistry	Professor
Dr. Muhammad Rasul Jan	M.Sc. (Peshawar) M.Phil. (Peshawar) Ph.D. (Cork, Ireland)	Analytical Chemistry: Electrochemistry, Environmental Chemistry, FIA, Separation Science Techniques, Sensors. Nanotechnology, Recycling of waste polymers.	Professor & Director
Dr. Muzzaffar Khan	M.Sc. (Peshawar) SPL, M.Phil. (Q-e-Azam) Ph.D. (Q-e-Azam)	Applied Chemistry: Structural and Thermodynamic Studies, Particle Size and Surface Studies	Professor
Dr. Muhammad Arfan	M.Sc. (Peshawar) Ph.D.(TWU, USA)	Organic Chemistry: Bioassay Guided Natural Product Chemistry, Synthetic Medicinal Chemistry, Green Chemistry and Computational Organic Chemistry	Professor
Dr. Nazar ul Islam	Ph.D. (UK)	Organic Chemistry	Professor
Dr. Imdad Ullah	M.Sc. (Peshawar) M.Phil. Peshawar), CRT (UNSW, Australia) Ph.D. (Hiroshima, Japan)	Analytical Inorganic Chemistry: Micellar Medium Analytical Chemistry, Separation Science Techniques, and the Development of Hybrid Analytical Methods.	Professor
Dr. Habib-ur-Rehman	M.Sc. (Peshawar) Ph.D. (Glasgow, UK)	Physical Chemistry: Adsorption and Ion Exchange	Assott. Professor

Dr. M. Shakirullah	M.Sc. (Peshawar) M.Phil. (DEA, France) Ph.D. (France)	Fuel & Applied Chemistry: Petroleum & Coal Chemistry, Hydrocarbons and Polymer, Photosensitized Chemistry, Carbon & Carbon Nano Structures.	Assott. Professor
Dr. Fazlullah Khan	M.Sc.(DIK) M.Phil. (Peshawar), Ph.D.(Peshawar)	Physical Chemistry: Bio and Inorganic Mineralization/ Precipitation and Inhibition.	Assott. Professor
Dr. Yousaf Iqbal	M.Sc. (Peshawar) M.Phil. (U.K) M.Phil. (Peshawar) Ph.D.(Peshawar)	Applied Chemistry: Polymer and Ceramics, Removal of Contaminants, Pre-concentration of valuable material, Oxidation Kinetics of Binder less Carbon	Assott. Professor
Dr. Ikhtiar Khan	M.Sc. (Peshawar) M.S (Saudi Arabia), Ph.D. (UK)	Organic & Environmental Chemistry: Environmental Analysis of Soil and Air	Assott. Professor
Dr. Muhammad Ishaq	M.Sc. (Peshawar) Ph.D. (Peshawar)	Fuel & Applied Chemistry: Characterization of Crude Petroleum, Reclamation of Used Engine Oil, Co-processing of Coal and Plastics	Assott. Professor
Dr. Jasmin Shah	M.Sc.(Peshawar) Ph.D.(Peshawar)	Analytical Chemistry: Environmental Chemistry, Separation Science Techniques, FIA Methods Development, Recycling of Waste Polymers	Assott. Professor
Dr. Khurshid Ali	M.Sc. (Q-e-Azam) M.Phil. (Q-e-Azam) Ph.D. (METU Ankara, Turkey)	Physical Chemistry: Electrochemistry, Electro-initiated Polymerization, Micellization studies of surfactants	Assott. Professor
Dr. Imtiaz Ahmad	M.Sc. (Peshawar) Ph.D.(Peshawar)	Fuel Chemistry: Petroleum & Coal Chemistry, Environmental Chemistry, Carbon & Carbon Nano Structures	Asstt. Professor
Engr. Jamil Shah	B.Sc (Engig, Punjab) M.Phil. (Peshawar)	Applied Chemistry: Chemical Processes, Chemical Engineering, Environmental Chemistry.	Lecturer
Mr. Asadullah (Ex Pakistan Leave)	M.Sc.(Peshawar) M.Phil. (Peshawar)	Biochemistry: Enzyme Kinetics	Lecturer
Ms. Raheela Taj	M.Sc (Peshawar)	Biochemistry	Lecturer
Mr. Mohammad Imran	M.Sc (Peshawar) M.Phil. (Peshawar)	Biochemistry: Lipid Chemistry	Lecturer
Mr. Fazal Mabood	M.Sc. (Peshawar)	Analytical Chemistry: Thermal and Catalytic Recycling of Used Waste Polymers.	*Lecturer
Mr. Rasool khan	M.Sc. (Peshawar)	Organic Chemistry: Synthetic Organic Chemistry	*Lecturer
Mr. Hamayum.	Ph.D. (Sout Korea)	Analytical Chemistry	*Assistant Professor (HEC)
Najeeb ullah	M.Sc (Peshawar)	In-organic Chemistry	*Lecturer
Fatima Sayed	M.Sc (Peshawar)	Bio Chemistry	*Lecturer
Humaira Seema	M.Sc (Peshawar)	In-organic Chemistry	*Lecturer

*On Contract

Foreign Faculty

Name	Highest Degree	Field of Specialization	Designation
Dr. Rafiullah Khan	Ph.D., Hatfield, UK	Organic Chemistry: Natural Products, Medicinal Chemistry, Environmental Pollution	Professor
Dr Ghias ud Din	Ph.D., HEJ, University of Karachi	Organic Chemistry	Professor

Supporting Staff

Name	Designation
M. Arif	Senior Clerk (S.G)
Fazal Khaliq	Senior Clerk
S. Imran Shamshad.	Senior Clerk
Faiz Muhammad.	Junior Clerk
Aziz-ur-Rehman	Librarian
Jehangir Khan	Senior Laboratory Assistant
Rahim Khan	Senior Laboratory Assistant
Akhtar Mohammad	Senior Laboratory Assistant
Subz Ali	Senior Laboratory Assistant
Israr Hussain	Laboratory Assistant
Mohammad Ilyas	Laboratory Assistant
Zaheer ud Din	Store Supervisor
S. Ashfaq Ali Shah	Laboratory Attendent
Moqsood Jan	Laboratory Attendent
Zulfiqar Ali	Laboratory Attendent
Mohammad Ali	Driver/CSA
Nishan Mohammad	Laboratory Attendent
Feroz Khan	Naib Qasid
Zahir Shah	Naib Qasid
Rehman-ud-Din	Naib Qasid
Muhammad Jamil	Laboratory Attendent
Haroon Gul	Laboratory Attendent
Asmat Ali	Laboratory Attendent
Mohammad Naveed	*Laboratory Attendent
Mohammad Sajjad	*Laboratory Attendent
Hidayat Khan	*Laboratory Attendent
Sikander Hayat	*Instrument Mechanics
Nasir Khan	*Instrument Mechanics
Mohammad Ali	*Laboratory Attendent
Izhar Khan	*Laboratory Attendent

*On contract

Staff Pursuing Higher Education

Mr.Asadullah is out of station due to his Ph.D. Programme in USA.

Conferences**Attended**

Attended by	Title	Sponsoring Agency
Staff	9th Symposium on Analytical and Environmental Chemistry	University of Peshawar National Center of Excellence in Analytical Chemistry, University of Sindh, Jamshoro.
Staff	Fullbright Alumni Conference	Fullbright, U.K.
Staff	7th International and 17th National Chemistry Conference	Chemical Society of Pakistan and Gomal University
Staff	1st International conference on the role of Chemistry and Biochemistry in the National Development	University of Balochistan
Staff	Workshop on Non-Destructive Analysis of Agricultural Products	Nuclear Institute for Food and Agriculture (NIFA) Tarnab
Staff	Modern Techniques in Drug Design and Exploitation of Local Phytochemical and Biological Resources,	Department of Chemistry, Kohat University of Science and Technology (KUST)
Staff	Nobel Laureates, with Pakistani Graduates	Higher Education Commission, Islamabad
Staff	Seminar "where academia and industry meet"	Jointly sponsored by University of Peshawar, Higher Education Commission & Ghulam Ishaq Khan Institute of Science and Technology, Swabi.

Organized

Title	Held at	Sponsoring Agency
9th Symposium on Analytical and Environmental Chemistry	Baragali Summer Campus, University of Peshawar	University of Peshawar National Center of Excellence in Analytical Chemistry, University of Sindh, Jamshoro
Panel Discussion on Contamination of Soil and Water in and Surrounding Areas of Abandoned Persistent Organic Pollutant (DDT) Factory in NWFP, Pakistan	University of Peshawar	University of Peshawar and SDPE, Islamabad.

Seminars (Attended /Organized)

Attended by	Title	Organized by
Staff	Natural Product Chemistry Speaker: Prof. Dr. Viqar Uddin Ahmad HEJ Research Institute of Chemistry, University of Karachi	*ICS
Staff	Balancing of Chemical Equations Speaker: Dr. Fida Mohammad National Center of Excellence in Physical Chemistry, University of Peshawar	ICS

Staff	Kinetics and Mechanism of The Thermal Dehydrogenation of Some Halogenated Hydrocarbons. Speaker: Dr Jan Nisar NCE in Physical Chemistry, University of Peshawar	ICS
Staff	Study Abroad Speaker: Prof. Dr Imdad Ullah Mohamad Zai	ICS
Staff	NMR Spectroscopy Speaker: Mr Najeeb Ulla Institute of Chemical Sciences University of Peshawar	ICS
Staff	The Engineering of Materials. Speaker: Dr Yaseen Iqbal (Foreign Faculty) Department of Physics, University of Peshawar	ICS
Staff	Special Theory of Relativity and the Concept of Space, Energy, and Time. Speaker: Mr. Hidayat Ullah Khan Department of Physics, University of Peshawar	ICS
Staff	Synthesis and Characterization of Chiral Ionic Liquids-Green Chemistry. Speaker: Dr Sayed Aziz Ashraf IPRS University of Wollongong, Australia.	ICS
Staff	Speaker: Dr Alain Krief Laboratoires de Chimie Organique Synthese, Department de Chimie, Belgium	ICS
Staff	An Academic Pilgrim to The City of Yousaf Bin Tashfin Speaker: Dr Imdad Ullah Mohammadzai Institute of Chemical Sciences University of Peshawar	ICS
Staff	Relationship between Two Variables Speaker: Dr Khurshid Ali Institute of Chemical Sciences University of Peshawar	ICS

*Institute of Chemical Sciences

Work Shops (Attended/ Organized)

Attended by	Title	Organized by
Staff	Workshop on Curriculum Development for Four Year Integrated Bachelor Program	Institute of Chemical Sciences, University of Peshawar
Staff	Workshop on Computational Chemistry and its applications	Dr. Panjwani Center for Molecular Medicine Drug Research, International center for Chemical Sciences, University of Karachi
Staff	Work Shop on "Chromatography And Mass Spectrometry"	Agilant technology USA and H.A.Shah & Sons Pakistan
Staff	Workshop on Non-Destructive Analysis of Agricultural Products	Nuclear Institute for Food and Agriculture (NIFA) Tarnab, Peshawar

Training Received by Staff

Name	Type	Sponsored By	Venue
Raheela Taj	Computer Training	Staff Training Institute, University of Peshawar	University Copmputer Center
Humaira Seema	Computer Training	Staff Training Institute, University of Peshawar	University Copmputer Center
Fatima Sayed	Computer Training	Staff Training Institute, University of Peshawar	University Copmputer Center

Research Projects (University Funded)

Title	Name of the Principal Investigator	Capital Cost
Reclamation and conversion of Lubricating oil in to Usefull products	Dr. M.Shakirullah	0.07 million

Synthesis/Structural Elucidation and Bioassay Study of Biological Active Complexes of Coumarin-derived Compounds	Dr. Saeed ur Rehman	0.257 million
Mineral Profile and Bio Assay of Selected Indigenous Medical Plants of NWFP.	---	0.257 million
Structure Elucidation of Complexes Cyclic Amines.	---	1.22 million
Determination of Various Sulfur compounds in Indigenous Crude oils and the development of Bio chemical desulfurization Techniques	Dr. M. Ishaq	0.435 million
Characterization and Regeneration of Carbonaceous Substrate Produced from Biotic Precursors and its use for the Waste water Treatment.	Dr F K Bangash	0.525 million
Adsorption of Organic Dyes on Activated Charcoal Prepared from Wood of Different Trees.	---	0.235million
Investigation of New methods for determination and Identification of Pesticides in Real Samples	Dr. Rasul Jan	0.56 million
Investigation of New Methods for Asbestos and talcum powder and its applications to commercially available samples	---	0.56 million
Thermal and catalytic conversion of used isobutylene-isoprene rubber (inner butyl tube) into valuable hydrocarbons	---	1.4 million
Determination of selected organic pollutants in cigarette tobacco and smoke	---	0.5 million
Physical verification and study of contamination of soil and water in and surrounding areas of abandoned persistent organic pollutant (DDT) factory in North West Frontier province (NWFP) Pakistan	Dr. Rasul Jan / Dr. Jasmin Shah	Jointly completed by SDPI and Institute of Chemical Sciences
Catalytic conversion of waste plastics into valuable products	Dr. Jasmin Shah	0.55 million
Method development for determination of pesticides and its applications to Environmental Samples	---	0.76 million
Styrene monomer recovery from waste polystyrene by catalytic degradation	---	0.5 million
(1)...Determination of Phenol in Water Samples	---	0.02 million
(2)...Determination and Speciation of EPA Priority Top Pollutants in Kabul River.	---	0.1 million
Study of Micellization Parameters of Surfactants in Aquous Solutions.	Dr. Khurshid Ali	0.34 million
1. Functionalization and Heteroannulation of Quinazolone Nucleus-Synthesis, Structure Elucidation and Bioactivity Evaluation	Dr. Mohammad Arfan	0.18 million
2. Bioactive Principals from Selected High Altitude Plants-Chemical composition, Synthesis, Antimicrobial, Antifungal and Antioxidant Assays		0.095 million
3. Comparative Antioxidant Capacity Evaluation and Major Phenolic Constituents Characterization of Hypericum Species		0.395 million

HEC Funded

Title	Name of the Principal Investigator	Capital Cost
Synthesis and Structural Elucidation of Modified Cumarine Biologically Active Complexes	Dr.Saeed ur Rehman	0.539 million
Fortification of Canola and Sunflower oils with Sea backthorn Oil	Dr. Fazlullah Khan	1.883 million
PSF Grant for Active Scientists	Prof. Dr. M.Arfaan	0.992 million
PSF Grant for Active Scientists	Prof. Dr. M. Rasul Jan	1.0
Investigation of new methods for determination and speciation of Arsenic in samples of environmental and biological importance. (HEC)	Prof. Dr. M. Rasul Jan	2.7 million

Extra Curricular Activities**Prof. Dr. Haroon Rashid**

- Member, American Chemical Society
- Life member, Pakistan Chemical Society
- Member Alumni Association of ICS

Prof.Dr.M.Arfaan

- Member, American Chemical Society (ACS).
- Member, Association of Pakistan Scientists and Engineer of North America (APSENA).
- Member, Chemical Society of Pakistan.
- Executive Member, Association of Scientists and Scientific Profession of Pakistan (ASSPP).
- Member, Environmental Protection Foundation, NWFP.
- Member, New York Academy of Sciences.

Prof. Dr. M.Rasul Jan

- Chem. MRSC, Since 1985.
- Life member & fellow of the Chemical Society of Pakistan.

Dr.Jasmin Shah

- The Chemical Society of Pakistan, Since 1989.
- Peshawar University Teachers Association, Since 1993
- Member Alumni Association of ICS

Dr. Imdadullah Mohammadzai

- American Chemical Society
- The Chemical Society of Japan
- The Japan Society for Analytical Chemistry
- Royal Australian Chemical Society
- The Chemical Society of Pakistan
- Science Club, University of Peshawar
- Hiking Club, University of Peshawar
- Ikimono Kai, Hiroshima University

- Provincial (NWFP) Coordinator of the Australian Alumni Association of Pakistan (AAAP)
- Cultural Secretary MONBUSHO Alumni of Pakistan
- Fulbright Alumni, Pakistan
- Member Alumni Association of ICS

Dr. Yousaf Iqbal

- Life membership, Chemical Society of Pakistan.
- Membership, British Alumni.
- Alumnus, Departmental Chemical Society.
- Member of Old Islamian Alumni

Dr.M.Shakirullah

- The Chemical Society of Pakistan (Life Member)
- Member of Executive council, N.W.F.P. w.e.f 14th April 2002 – 2009
- Member of Local Advisory Board of the Journal of Chemical Society of Pakistan
- Pakistan Association for the Advancement of Science. (Life Member)
- Member of Editorial Board of Pakistan Journal of Science & Pakistan Journal of Scientific Research
- Member Alumni Association of ICS
- Staff Proctor Peshawar University for Sessions 2005-06 and 2006-07
- Senior warden Hostel No. 2 and Sheikh Zayd Islamic Center Hostel w.e.f 11th April 2006

Dr.Habib-ur-Rehman

- The Chemical Society of Pakistan (Life Member)
- Member Alumni Association of ICS
- Member “British Alumni”
- Senior warden Hostel No. 9.
- Member of Local Advisory Board of the Journal of Chemical Society of Pakistan.

Dr.M.Ishaq

- Life time member of “The Chemical Society of Pakistan”
- Member Zeolites Association of Japan
- Member “Catalysis group” Scottish Universities
- Member “British Alumni”
- Incharge Alumni Association of ICS.

Dr.Imtiaz Ahmad

- Member of American Chemical Society (ACS), Washington DC.
- Member of SCSC, ACS Subdivision on Chromatography and Separation Chemistry Division of Analytical Chemistry, (DAC), American Chemical Society, (ACS).
- Member Alumni Association of ICS

Mr.Mohammad Imran

- Pakistan Society of Biochemistry and Molecular Biology
- Member Alumni Association of ICS

Budgetary provision of the department

Head	Amount (Rs)
Special Allowance	23, 82, 000
Chemical and Glass ware	11, 00, 000
Contingency	1,38, 000
Total	36,20, 000

Students Enrollment

Master		M.Phil.	Ph.D.
M.Sc (Previous)	M.Sc (Final)		
149	143	67	43

Scholarships Awarded To Students

A number of scholars (M.Phil.) have received Unemployed Graduates Subsistence Allowance from HEC, Islamabad. Thirteen (13) Ph.D. students have been enrolled this year under HEC Ingigenous Fellowship Programm. They are getting stipend of Rs 8000/ per month from HEC.

A reasonable number of M.Sc students (both Previous and Final year students) have obtained MORA SCHOLARSHIP from the respective Dstrict Zakat Office. Few Deserving students have been recommended for Need based Japanese scholar ships.

Students Achievements/ Activities

Detail

Miss Sadia Rehman stood First in M.Sc. Examination.Held 2006-07.

Mr.Arab Khan stood second in M.Sc. Examination. Held 2006-07.

Students Tour/ Field Trips

Study tour of M.Sc Previous students to local industries (Led by Dr. Shakirullah

Study Tour of M.Sc Final year students to Quaid-e-Azam University

Semisars/ Training Attended

International congress on analytical sciences

9th symposium on analytical and environmental chemistry

Lecture by alain krief

Fullbright alumni conference. Held november 29th through december 8th

Seminar “where academia and industry meet” jointly sponsored by university of peshawar

Work shop on “chromatography and mass spectrometry” organized by agilant technology usa and h.a.shah & sons pakistan.held december 05

Lecture by Dr. Iftikhar imam naqvi

7th international and 17th national chemistry conference

1st international conference on the role of chemistry and biochemistry in the national development

Workshop on computational chemistry and its applications from 26-06-2006 to 28-06-2006

Workshop on Non-Destructive Analysis of Agricultural Products (19th - 20th June 2007)

Conference on Modern Techniques in Drug Design and Exploitation of Local Phytochemical and Biological Resources

2nd Meeting of Nobel Laureates

Mega Science Exhibition held in University of Peshawar

Department of Environmental Sciences

Vision

Environmental degradation is one of the major problems faced by the Country. To cope with these challenges, this department would like to induct more teaching staff and to have strong links with the line departments at national and international level.

Mission

- To cater formal education, research and training in the disciplines of Environmental Sciences, Public Health Safety, Natural and Occupational Hazards, Applications of Remote Sensing to Environmental Monitoring and Hazard Mapping and uses of Geographic Information System for Planning/Management of Natural Resources at graduate and postgraduate level through courses and project assignments.
- To conduct and publish research findings at popular and professional levels in all the related fields such as modern themes of renewable energy technologies, ethno botany, waste treatment and conservation technologies and uses of RS/GIS
- To provide policy inputs and professional advice to various level government bodies such as ministries, EPA, CMDD, TMOs, and NGOs in sustainable industrial growth, conservation of natural resources and environmental protection/rehabilitation through workshops, seminars, conferences and meetings.
- To offer short and long term certificate & diploma level courses and training sessions in the field of Environmental Education, Environmental Impact Assessment, Occupational Health and Safety, Natural Resource Management, and advanced technologies including GIS and Remote Sensing etc. for mid carrier professionals working in public and private sector organizations.
- To provide professional services such as Special Trainings, Tests/Analyses, Surveys, Certification and Consultancies to the manufacturing and processing industry, NGOs, CBOs, engineering firms and private consultants in all related fields of environment

Objectives

The department of environmental sciences has arranged various curricula related workshops, seminars and exhibitions with the collaboration of other institutes. Apart from that various field trips were also arranged during 2006-2007. This department has also launched a magazine in 2007

Research articles presented in national and international workshop/conferences

- Hazardous exposure to asbestos in Pakistan presented in the international conference titled “Asian Asbestos Conferences” to be held in 2006 in Thailand, Bangkok.
- Environmental law and human carcinogens presented in the national workshop arranged by Sustainable Development Planning Institute, Pakistan.

Contribution to the National and International Technical Reports and Monograph Evolution

- International Agency for Research on Cancer (IARC) Monograph meeting 2006, Vol. 93: Carbon black, titanium dioxide and non-asbestiform talc.
- Chrysotile asbestos hazardous to human, deadly to the Rotterdam Convention 2006, published by the Building & Woodworkers International and the International Ban Asbestos Secretariat.
- Rotterdam Convention: National consultation on the development of national action plan June 2007.

Media Articles Published in the News Papers and released on TV channels

- Environmental law and human carcinogens, Pakistan published in the national English and Urdu news papers (The News, Dawn, Daily Mashriq, Daily Nawia Wequt).
- Environmental pollution and role of mother in the society (Avt Khyber TV channel, Islamabad).
- Occupational health and safety and the migrant and immigrant labors in Pakistan (Avt Khyber TV channel, Islamabad).

Dr Hizbullah Khan, Research Papers Published/ Accepted/ Underprocess:

- Estimation of residual nickel and some heavy metals in hydrogenated edible oil Hizbullah Khan, Fida Mohammad, Imdad Ullah Mohammadzai and Mumtaz Khan; J. Chinese Chemical Society, 54(3), 2007 (available online: www.sinica.edu.tw) Impact Factor (ISI 2004): 1.000
- Selective catalytic reduction of nitrogen oxides by ammonia on iron oxide catalysts N. Apostolescu, B. Geiger, K. Hizbullah, M.T. Jan, S. Kureti, D. Reichert, F. Schott, W. Weisweiler; J. Applied Catalysis, B: Environmental 62 (2006) 104-114, (available online www.elsevier.com) Impact Factor (ISI 2004): 4.042

Accepted for Publication

- Reduction of Nitrogen Oxides by Ammonia over iron containing Catalysts. M. T. Jan, S. Kureti, K. Hizbullah and N. Jan Chemical Engineering and Technology, 2007

Under Process

- In Situ Drifts Analyses of Adsorption and Reaction of Ammonia over modified Iron Oxide SCR Catalysts for the Reduction of NO_x. K. Hizbullah, M.T. Jan and S. Kureti, Catalysis today 2007.
- Study on Catalytic activity of Platinum Nan particles in a defined contact between platinum & carbon via carbon oxidation K. Hizbullah* S. Z. Khan and H. Rashid, Catalysis Today 2007
- Catalytic Oxidation of soot using Iron Oxide, N. Jan, K. Hizbullah and S. Kureti, Catalysis Today 2007.

Iftikhar Ahmed

Role of traditional institutions in Management of Natural Resources in Pashtun Society, NWFP, Pakistan.

Mohammad Nafees**(Papers Submitted)**

- Study of Agro for aid its importance in swat valley, [M.Nafees, Hizbullah Khan, M Rasul Jan & Asghar Ali,] submitted to Sarhad Journal of Agriculture, Peshawar, NWFP, and Pakistan.
- Land Tenure system in upper District Malakand and its impacts on Soil Conservation: A case study of Village Dheri-Allahdand. [M.Nafees, Hizbullah Khan,, M. Rasul Jan]. Submitted to International Journal of Mountain Research & Development Switzerland.
- Environmental Impacts of continuous Ban on fishery in River Swat. [M.Nafees, Hizbullah. & M. Rasul Jan], Submitted to International Journal of Mountain Research & Development Switzerland.

Study tour/ field trips

Field trips of BES –II four day trips to Baragli
 Field trips of BES-II four day trips to Baragli
 Field trips of M.Sc Final four day trips to Baragli
 Field trips of M.Sc final Chackwal, Lahore
 Field trips of M.Sc final one day Chirat cement factory
 Field trips of M.Sc final one day Hayatabad Industrial Estate, Peshawar
 Field trips of M.Sc Previous four days to Baragali
 Study tour of BES B-III to Abbattabad
 Study to of BES B-III to Islamabad, Marree

Seminar/Training Attended

World Environmental Day = One day 5th June 2007

Workshops and Seminars organized

International Resource Management, Occupational Health & Safty & Rs/GIS

Diploma and certificate level courses organized

The PG-Diploma aim at providing capacity building courses to mid carrier officials and professionals for improvement of their qualification and to ensure the sustainable management of natural resources and environmental and occupational health.

Plans for the academic year 2007-08

- Preparation of a PC-I, of PKRS: 40 millions, for capacity building of the department is under process and soon to be submitted.
- To streamline the semester system existing in the department

Department of Geography, Urban & Regional Planning

Vision

The Department of Geography, Urban and Regional Planning is to be a model department primarily focused on enhancement and sustenance of an academic environment conducive to excellence in teaching, research and community service.

Mission

Our mission is to provide stimulating and practical programmes of education and training in the field of Geography, Urban and Regional Planning relevant to the need of the society at large in today's rapidly changing world.

The education and training imparted to the students in this department are aimed at bringing positive change in the student's approaches and making them more useful citizens so that they could contribute in the uplift of the environment and wellbeing of the humanity of the world in general and that of Pakistan in particular.

Objectives

- Replenishment and renovation of the Petrographic laboratory
- Up-gradation and renovation of the Thin Section making laboratory
- Provision of state-of-the-art teaching/learning facilities in the Classrooms/ laboratories
- Streamlining and further developing the MS/Ph.D. program

Teaching Staff

Mr. Adil-ur-Rehman has got Ist Position in M.Sc Geography

Mr. Sumaira H.Afridi has got Ist position in M.Sc Urban and Regional Planning

Study Tour /Field Trips**Detail**

As Geography is a field subject, the department arranges short and long study tours to the areas of geographical interest. During 2006-07, study trips were arranged to Attock, Kohat valley, Takht-i-Bhai, Malakand, Chakdara, Swat valley, Chamla valley, Buner, Guliyat and Murree and a long study trip to Rawlakot and its surrounding area in Azad Kashmir. During these study trips, the student carry out exercise on map reading, topographic sheets and Global positioning System in the field. They also study physical as well as cultural environment in the field including geomorphology, settlement geography, natural hazards, etc.

Seminar/Training**Detail**

One Day "Digital Library Workshop"

26,October 2007 attended by all M.Phil./Ph.D. and Planning students

Student Seminar Week10-14 October 2006 attended by all M.Phil./Ph.D. Geography and Planning students

"World Environmental Day" 5th June 2007 attended by all M.Phil./Ph.D. and Geography and Planning students

Plan for 2007-2009

- To establish a weather observatory.
- One year Post Graduate Diploma in Geomatics (GIS/RS).
- One year Diploma in Geomatic,
- Golden Jubilee / National Geographical Conference. The Department will celebrate its belated Golden Jubilee in March 2008. A 3-days National Geographical Conference will also be held during the Golden Jubilee celebrations.

Department of Geology

Vision

To meet the growing demand of the country in the exploitation of indigenous natural resources for the economic growth, the department plan to start degree programs in Hydrogeology, Environmental Geology, Petroleum geology and Geophysics, Engineering Geology, Basin Analysis and Remote Sensing. This will be initiated with the acquisition of the state of the art laboratory equipment. The department plans to start graduate diploma courses in various disciplines of geology for continuing education of all interested in the industrial sector.

Teaching Staff

Name	Qualification	Area of Specialization	Designation
Dr. Muhammad Javed Khan	Ph.D. (USA)	Paleomagnetism, Sedimentology / Petroleum Geology	Professor
Dr. Muhammad Arif	Ph.D. (UK)	Mineralogy/Petrology, Economic Geology.	Professor
Dr. Iftikhar Ahmed	Ph.D. (UK)	Sedimentology	Professor
Dr. Imtiaz Ahmad	Ph.D. (USA)	Stratigraphy	Professor
Dr. Muhammad Zahid	Ph.D. (UK)	Economic Geology	Assott. Professor
Dr. Sajjad Ahmad	Ph.D. (PAK)	Structural Geology	Assott. Professor
Muhammad Haneef	MS (USA)	Carbonate Sedimentology	Assott. Professor
Amir Shah	M.Phil.	Geo-Chemistry	Asstt. Professor
Muhammad Asim	M.Phil.	Hydrology	Asstt. Professor
Fayaz Ali	M.Phil.	Petroleum Geology, Structural Geology	Lecturer
Asghar Ali	M.Sc	Petrology	Lecturer
Sajjad Ahmad	M.Sc	Micro Paleontology	Lecturer
Suleman Khan	M.Sc	Petroleum Geology	*Lecturer

Objectives for the session 2007-2008

Establishment of Geomorphological Laboratory in the Department Teaching of Geomorphology is an integral part of the M.Sc. (Previous/Final) curriculum, but it is unfortunate to say that there is no geomorphological laboratory in the Department, which makes it difficult to do justice with teaching of the subject in proper way. It has been therefore, planned to establish a geomorphological laboratory during the academic year 2007-08.

Department of Zoology

Vision

To act as a leader of excellence and performance in its objectives in the country

Mission

The Department of Zoology is committed to the production of well-rounded international standard graduates of, M. Sc., M.Phil. and Ph.D. level in areas of Zoology including Entomology, Parasitology, Fisheries, Microbiology and Biotechnology maintaining high level of integrity and responsibility at individual and departmental level; and conducting quality research, and producing well trained teachers and to participate in community development projects.

Objectives

Teaching, Research, Consultancy and Community Service

Teaching Staff

Name	Qualification	Designation	Area of Specialization

HEC workshop on Conservation of wild life	Bara Gali
HEC workshop on Status of Postgraduate research: strategies for Improvement July 8-12, 2006	Bara Gali

Department of Pharmacy

Vision

In the future, we intend to undertake the following steps to bring pharmacy profession at par with the advanced countries.

- Changing the status of the department to faculty level.
- Initiation of extensive clinical pharmacy practice for the Pharm. D students at various hospitals.
- Initiation of practical industrial training for the interested students.
- Initiation of pharmacy residency program at post Pharm. D level as practiced in advanced countries.
- Further strengthening our research activities at the M.Phil., and Ph.D. level in the subject areas of pharmaceutics, Pharmacology, Pharmaceutical chemistry and Pharmacognosy.
- Training of our young staff members in the subjects of pharmacy in general and clinical pharmacy in particular to cope with the advancement in the field of pharmacy.

Mission

The mission of this Department is producing graduates who will be expert in the different fields of Pharmacy to coop with demands of both national & internatikonal standards. We were producing B.Pharmacy graduates, but looking to pressing demands of the international market, the degree has been upgraded to doctor of Pharmacy (five years programme).

Objectives

- To provide basic facilities to the students to fulfull the requirements for the recognition of the Development by the Pharmacy Council of Pakistan.
- To arrange conferences seminars for the improvement of academics to equip the students with highly professional skills for their career and the nation both at Naitonal and International level.

Study Tour / Field trips

Medicinal Plant Collection Tour to Northern Area (3rd Prof.)

Industrial Tour to Lahore (4th Prof.)

Trip to National Institute of Health (2nd Prof.)

Different to Local Industries

Objectives for the session 2007-08

- Establishment of Biopharmaceutics laboratory.
- Enrollment of scholars to the M.Phil. and Ph.D. program.
- Acquisition projects from University, HEC and other funding agencies.
- Establishment of linkages between Department and Teaching hospital to provide training / clerkship to Pharm. D students to equipped them with the knowledge in clinical Pharmacy.
- Procurement of latest and sophisticated equipments / machinery to cope up with the modern technology.
- To arrange seminars / workshop and lecture in various fields of Pharmacy.

Faculty of Management and Information Sciences

Vision

To Provide quality education, to continue bridging the gap between theory and practice and to achieve excellence in knowledge base research.

Mission

The mission of the faculty is to produce professional graduates, Post graduates, M.Phil. and Ph.D. Research scholar. The faculty is determining hard to have qualified, competent and professional teachers and researchers and social change development and harmony in society.

Department of Journalism and Mass Communication

Vision

- In 2008, we will opt for BA (Hons). 4 year programme.
- We want to launch a post graduate diploma in broadcast sector.
- We intend to convert this department into an institute
- Opening up of a TV studio is also in the pipe line.

Mission

Social change, development and harmony in society.

Objective

- To improve the standard of journalism and Mass Communication education.
- To develop a critical perspective on communication studies and to familiarize students with research methods.
- To enable the students of Mass Communication to develop their writing and Communication skills.
- To train students for managerial responsibilities in media organizations especially at production and control levels.
- To enlighten students to understand the communication problems of Pakistani society in a global perspective.
- To enable the students to find homegrown solution to our communication problems, while respecting others views' as a common human heritage.

Department of Electronics

Vision

“To be a regional centre of excellence in Electronics”

Mission

To make the centre vision a reality. The Department is committed to the training of graduates of international standards at B.Sc, M.Sc and M.S/M.Phil. levels in the area of Electronics including Nano-Technology, Micro, Consumer, Medical, Communication, Defense and Industrial Electronics. Conduction quality basic and applied teaching and research, offering consultancy of local industries and institutions and to participate in community Development projects.

Objectives

Teaching, Research and Development in S & T.

Student Achievements

Study tours were arranged to Bara Galli and CTI Islamabad. A party is social gathering for celebration and recreation. While parties are related to and often form part of religious cultural and seasonal festival. All previous and final year students of morning & evening celebrated farewell and welcome party in May 2007.

Students also participated in various activities in the Univeristy, such as debates, Naat, sports, speeches etc, during 2006-07. Seminars were also arranged in the department of Electronics.

Department of Mathematics

Vision

To act as a leader in the advancement of Mathematics and promotion of Science and Technology in the country.

Mission

The endeavour of the department of Mathematics, University of Peshawar is to enhance the standard of mathematics teaching and quality of research bringing its credibility at par with the advanced countries of the world. The ultimate aim is to attain a situation where Pakistani degree holders in mathematics will be proud of their degree

Objectives

The objectives of the department set forward for the academic year 2007-08 are as under:

- To engage in goal-oriented high-level teaching and research.
- To promote cooperation and inter-disciplinary relationships with other teaching and research organizations of the country and abroad.
- To arrange conferences, seminars and refresher courses for the promotion of mathematics education and research.
- To provide a platform to the students so that to exploit their academic potentials and teaching skills.

Department of Physics

Vision

To achieve a status of leadership in the subject of pure and applied physics at both national, and international level, with a firm commitment to attain credibility at par with the technologically advanced countries.

Mission

The Department of Physics has the determination to motivate under graduate students to develop their interests in the subject of Physics so that a scientific culture prevails, and with the intention to induct top 10% students in higher studies in Physics. The department has the endeavor to enhance the standard of teaching in Physics and the quantity and quality of research to meet with the needs and demands of the country.

Objectives

The mission of the Department of Physics is to create, establish and provide learning opportunities in the pursuit and application of knowledge in the subject of Physics, aiming at the highest level of educational, intellectual, and research output. The basic infrastructure such as qualified staff, good postgraduate teaching and research laboratories together with valid assessment and check and balance techniques is a requirement to achieve the mission. At present, the Department of Physics has a reasonable number of qualified staff and is equipped with research laboratories having state of the art and modern equipments. However, the postgraduate teaching laboratories have not been given attention for a very long time and are therefore in very poor conditions. The research activities in terms of publications in journal of national and international repute is discouraging although a number of students have been granted MPhil degrees. The intellectual standard based on graduate assessment program of national standard (NTS HEC) and international standard (GRE) is also very poor (5% students with passing marks in the rang of 50 and 60), but is at par with the students of other departments of the University of Peshawar. Therefore, there must be some thing wrong in the strategy to achieve a reasonable level of what we aspire. This is the background for the objectives of the year 2007-08.

- Fixing up a strategy based on personal honesty, integrity and respect for what we have and what we get so that the research activities we have under taken with the research students in the name of MPhil/Ph.D. programs can have the desired output.
- Refurbishing the postgraduate teaching laboratories with the equipments required for the demonstration of the concepts taught in the course at postgraduate level.
- Preparing model papers by the concern teachers to bridge the gap between the paper setters (external) and the concern teachers to avoid moderation and to have a check and balance procedure on the standard of testing and evolution of the taught courses in the staff meetings in order to ensure the desired intellectual level of the students.
- Computerizing the information/data relating to the students admitted such as attendances of the students.
- Ensuring the implementation of the 4-Year Bachelor Program in the subject of Physics with all possible integration with other departments.

Department of Statistics

Vision

To become a leading Institute of Statistics offering diverse academic programmes to produce knowledgeable and trained manpower to play key roles in academic, commerce, industry, planning and decision making.

Mission

The Department of Statistics is committed to achieve excellence in the graduate education, research and public service. The department contributes to the advancement of society through research, creative activity, and development of new knowledge. The department of statistics benefits the nation's economy, serves the citizens through public programs and is dedicated to the production of quality human resource for the knowledge-driven development of the country.

Objectives

- To increase interaction among academic, industry and governmental organization.
- To highlight the role of Statistics and its importance in research.
- To provide help and consultation in data analysis to researchers working in various fields and industrial organizations.
- To provide market oriented graduates and scholars to be able to share and contribute their expertise to the market.

Strengthening the Department

Existing physical facilities available are Inadequate. One computer lab equipped with 18 computers, a seminar library with books mostly catering to the needs of M.Sc. Statistics students, three class rooms, 9 faculty offices, an office for the ministerial staff, and a girls common room.

The department has currently one computer lab which does not have sufficient facilities for the existing students (given the fact that “Data Processing and Statistical Computing” is now a compulsory subject). With the introduction of new programmes and further enrollment of students, we shall require enhanced computing facilities with a more sophisticated and large computer lab. It would be desirable to have separate computer labs for masters and research students as well as faculty members respectively.

The department’s seminar library is short of sufficient books especially research journals. With the enhancement of the department’s academics, we shall need a well-equipped and sophisticated library with sufficient number of books and research journals.

Presently, the department has no space for seminar/conference activities. With the growing academic activities, we shall need a well-furnished and spacious hall for seminar/conference purposes.

The present accommodation for the department is becoming increasingly limited for various academic needs of the department. We are short of classrooms and offices for faculty members. With the introduction of new academic programmes, the enrollment of students will increase and consequently we shall have to recruit more faculty members. This would require further physical space for classrooms, faculty offices and computer lab. The present space would be extremely limited to cope with such a requirement. We shall, therefore, need a separate and enhanced accommodation for our department.

The Department has recently introduced new curriculum for the M.Sc. program which includes study tours and field trips to various statistical and research organizations, collecting data and report writing. Further, as stated earlier, the department intends to introduce new and more applied academic programs, which shall involve extensive visits of students to the field and to various organizations throughout the country. For this purpose, we shall need two appropriate vehicles, one 15-seater Toyota Hiace and a 25-seater coaster for the students.

The department of Statistics is going through an expansion stage both in academic and organizational structures. The time has come to introduce new disciplines of Biostatistics and Demography. Both master and Ph.D. degrees will be offered in these subjects. The department shall need better academic and physical infrastructure to cope with this situation. We shall have to recruit more faculties, and shall have to provide more space, computing as well as library facilities to the growing number of students. For the purpose of field trips and surveys, we shall need appropriate vehicles for students as wells as faculty members. The funding proposed will enable us to fulfill our vision of turning the department of Statistics into a real center of excellence. The department of Statistics would be able not only to provide better education and research facilities in the field of statistics, but also to provide a platform for statistical collaboration with researchers from other fields of knowledge.

Faculty of Social Sciences

Vision

For the Faculty of Social Sciences, I see a very bright future as the Departments working under this faculty has a very high caliber of education.

It attracts the students from the wide variety of disciplines. All the departments do have the future plans for uplifting the departments both of physically and academically.

The department of Economics being one of the biggest departments of the faculty is intending to open new areas for the students. It plans to start B.S Degree leading to Master in:

- Development Economics
- International Economics
- Human Resource Management & Development
- Project Planning
- Monitoring & Evaluation
- Economics & Economic Modeling

Other departments are also planning to start similar courses in their own areas of specialization in the very near future.

Mission

The mission which I foresee for the faculty of Social Sciences is that this faculty be recognized with dignity and respect not only in Pakistan but all over the world. The academic caliber of the faculty should be such that the National & International institutions attract the students of this faculty. Not only this but the research and development of this faculty should be of high quality and be recognized all over the world. Our students be engaged with this reputed institutes and organizations when they are at the final stage of their studies.

The mission before me is that I want to see the faculty members and the students of this faculty not only as participants in seminar but in organizing international seminars and symposia by themselves.

Department of Economics

Vision

The programme of the Department is an effort to achieve academic excellence by way of opening up to new vistas in the academic, technical, managerial and professional experience in the field of economics.

Mission

All the programmes of the Department is an effort to achieve academic excellence by way of quality education in Pakistan in general and in the North-West Frontier Province in particular. It is based on the market demand for a special blend of graduates who will combine in themselves the quality and know-how of economics.

Objectives

Teaching, Research and Training.

Department of Political Science

Vision

To make Political Science as one of the leading departments of the University of Peshawar. The needed talent and opportunities would be made available. A conducive academic environment will be created where youth of the nation in general and those of the frontier province in particular could be proud of seeking knowledge for their masters' and research degrees in Political Science.

Mission

- To provide for young, responsible and energetic leadership to be inducted to the different levels of elected institutions.
- To ensure transformation of the political culture of Pakistan through the encouragement of Public-spirited, honest and patriotic leadership.
- To encourage the induction of such leadership who can ensure decency and fairness in the political processes of the country.

Objectives

- Revise Syllabi and incorporate courses that reflect modern day trends in political studies;
- Place more emphasis on the holding of conferences and seminars;
- Turn the department into a Think Tank where issues of national and regional importance are debated and food for thought supplied to the policy making institutions of the state;
- To introduce new fields of specialization and thus expand the range of choices for students;
- To accelerate research activities and motivate research students to expedite their write up. A target to produce at least one Ph.D. and four M.Phil. has been fixed.

Extra-Curricular Activities

- During the session, the department took concrete initiatives towards the promotion of extra-curricular activities. The students' wing of the department called *Political Science Students Forum* was activated and its office bearers were administered oath of office. Four important sub-committees under the Students Forum were organized i.e., Committee on Co-Curricular Activities, Sports Committee, Magazine Committee, and Blood Donation Committee – each of these played a noteworthy role in matters falling under their domain.
- Students from all the four classes (Morning & Evening) were nominated to the Proctorial Board on merit who, later, rendered valuable service to the maintenance of classroom discipline and were a helping hand to the faculty in the organization of co-curricular and extra-curricular activities;
- Five cricket matches were arranged during the session (3 inter-departmental and 2 intradepartmental). 2 of the 3 inter-departmental matches were won by our team;
- Group discussions were arranged and shields awarded to talented students.
- The Blood Donation Committee rendered invaluable services to the deserving persons who needed blood on urgent basis. Members of this committee not only motivated students to donate blood but also ensured its timely delivery to the needy patients.

Law College

Vision

Our vision is to turn this institution into a world class institution of higher learning in Law and Human Rights within the next 10 years, which would become a hub of research activities in the field of law and human rights and would provide feedback to the policy making institution on national at national and international level.

Mission

To help the administration of justice particularly in the N-W.F.P and the whole country by producing professional lawyers, judges, advisors, solicitors and attorneys, equipped with civic virtues and the sense of duty towards the pople and respect for the fundamental rights of other fellow human beings.

Objectives

- To offer courses of LL.B, LLM and Ph.D. in the field of law.
- To prepare researchers in the field of Law.
- To produce professional lawyers and judges.
- To provide necessary tools for researchers in the NGOs sector within the field of law and human rights.

Department of Gender Studies

Vision

Our goal is to develop the Department into an Institute of Gender Studies. We hope and foresee the Department functioning on three levels, namely, academics, research, and training. The Institute, hopefully, will provide not only trained human resource in different aspects of gender but will also provide short term trainings to the public and private sectors and provide policy input through its cutting edge research.

Mission

Towards the achievement of poverty alleviation, woman empowerment and equality for all. The scope of Gender Studies is to raise awareness about Gender issues at the Provincial and National level and in all areas of life.

Objectives

- To train human resource equipped with the knowledge and research capabilities who would be able to provide policy input and address gender issues in all the development forum.
- To establish a better understanding of the scope and concept of the Gender Studies.
- To analyze the existing Gender disparities with specific reference to social, psychological, economic, legal, health and education aspects.
- To help develop a theoretical framework of analysis of various dimensions aspects.
- To promote a critique of existing knowledge in relation to Gender and Development.
- To stitulate evaluation of contemporary development approaches and strategies as they effect Gender roles in particular and nation at large.
- To enable the students to organize development projects more effectively keeping in view gender needs.
- To help develop sustainable strategies for combating poverty, health and environmental hazards.
- To mainstream Gender perspectives in national development.

Department of Social Work

Vision

The department of Social Work is committed to promote social change, problem solving in human relationships, the empowerment and liberation of people to enhance well being by utilizing theories, knowledge and skills for the social development of society.

In compliance to HEC policy the department intends to switch over to “four years Integrated Programme of BS” in Social Work from 2007. The syllabus has been prepared and approved through various bodies of the university (Departmental board of studies, Faculty board of studies and Academic Council, University of Peshawar).

Details regarding departmental requirements about space, infrastructure, teaching and office staff and other related necessities have been provided to the university authorities. It is hoped that these will be provided in the coming session and onwards as the need arises.

Research practicum is essential concomitant of specialization in social work. The department intends to increase the number of computers in the laboratory with the latest computers and research software.

Mission

The department of Social Work is firmly committed to impart knowledge and skill of social welfare and social development to the students through teaching, research and fieldwork experiences and to society in general through policy formulation, seminars, capacity building, curriculum development and linkage with other national and international organizations.

Extra – Curricular Activities: (Staff)

- **Fieldwork Training:** Social Work is not a theoretical subject only. It believes in practical grooming of the students in a variety of fields including drug addiction, detoxification and rehabilitation, special education/training in the field of rehabilitation of the disabled, women welfare and development, rural and urban development, social welfare administration, NGOs/Civil Societies formation and development, Population welfare etc. Students practically learn and gain insight into these fields through active physical participation twice a week regularly. They are also exposed to learn through internship in the field of their interest. At the end of each session every student submits his field work report and presents his/her experiences he/she has gained so far.

Like previous years, this year also the MA Social Work students (Previous/Final) of both Morning and Evening have actively participated in Field Work Activities from November, 2006 to April 2007 once a week.

- **Internship Programme:** In addition to field work training the students also completed their internship according to the following schedule.

1. M.A. (Final year) 7th- 17th May 2007
2. M.A. (Previous year) 17th-19th May 2007 in the following agencies:
 - i. DATC – KTH
 - ii. DATC – LRH
 - iii. Artificial Limb Workshop-KTH
 - iv. Psychiatric-Ward-KTH
 - v. Sarhad Hospital for Psychiatric Diseases-Peshawar
 - vi. Horizon (NGO), Nishtarabad
 - vii. Hamza Foundation, Blood Services Peshawar University Town.
 - viii. SSRD-Town
 - ix. Dost Foundation (NGO), Hayatabd
 - x. Special Education Complex, Hayatabad

- **Research Collaboration:** The Department of Social Work has signed an agreement for research collaboration with Durham University, Department of Anthropology. The Focal persons of the two Universities are Prof. Dr. Sarah Safdar, University of Peshawar and Prof. Dr. Catherine Painter – Brick, University of Durham.

- **Linkage Programmes:** The department has academic linkages with a number of US, UK and Germany based Universities. Teachers actively benefit from these linkage programmes on reciprocal basis. In the past the department had exchange programmes with the departments of social work and Gender studies in the following Universities:

1. University of Pennsylvania Philadelphia, USA	=	1989
2. Gerhard- Mercator University Duisburg, Germany.	=	1997-2000
3. Hull University, UK.	=	2001-2003
4. Strathclyde University, Glasgow, UK.	=	2003
5. Durham University – Research Collaboration	=	2004-2006
6. White Post Chapel, UK.	=	2005-2010

- **Staff Visits:** Dr. Amir Zada Asad, Associate Professor, visited Sardar Bahadur Khan Women University Quetta Balochistan as consultant on the Board of Studies in Social Work. He also visited as subject expert of the Selection Board of the University of Balochistan, Quetta in June 2007.

- HEC Approved Supervisors for M.Phil. & Ph.D:
Prof. Dr. Sahib Zari Rafiq, Prof: Dr. Sarah Safdar, Dr. Amir Zada Asad

The department produced the following M.Phil./Ph.Ds this year:

1. **Prof. Dr. S Zari Rafiq**
 - i. Mr. Sohail Sikandar Rana, Ph.D July, 2007.
 - ii. Ms. Farhana Noreen, M.Phil. July 2007.
2. **Prof. Dr. Sarah Safdar**
 - i. Mr. Hamayun "Men's Perception towards Women Political Participation and Good Governance: Study of Pukhtoon Culture". M.Phil. 28th June, 2007.
 - ii. Mr. Khalid Naeem "Impact of Profession of Mothers on their children in Red Light Area, Lahore. 2nd July, 2007.
3. **Dr. Amirzad a Asad**
 - i. Mr. Shakeel Ahmad "Honour Killing in N-WFP" M.Phil. 8th April, 2007.
 - ii. Ms. Uzma Munir, "Child Rearing Practices in N.W.F.P and C.R.C" M.Phil. July 2007.

The Social Work Department is proud for this contribution and output.

- **Consultancy Services:** The department has a prestigious status of providing consultancy services to different national and international organizations to conduct surveys/researches. The clients of the department include UNHCR, JICA, WHO, Narcotics Control Division of Pakistan, Health Department, Social Welfare Department etc in addition to the individual surveys/researches conducted by the staff and students of the department for various organizations.

As a result of this the social work graduates have brilliant chances of employment in various surveys and research oriented organizations.

Extra-curricular activities: (Students)

- **Welcome Party:** The final year students arranged a welcome party in honor of the new comers. All staff members and students attended the event at Agha Khan Auditorium in December 2006
- **The National songs competition:** was organized by Provost Office, Deputy Director, Students Societies on 16th May, 2007 in which the following students participated:
 1. Hina Shafi (MA Previous)
 2. Amir Sohail (MA Previous)

Ms. Hina Shafi (MA Previous) got 1st prize in the competition

- **Debate Competition:** Ms and Mr. Water debate competition was organized by SRSP in Khyber Union Hall- Islamia College on 15th May 2007 in which the following students participated:
 1. Syed Afsar Ali Shah (MA Previous), 2. Ms. Asia Samreen (MA Previous)

Mr. Afsar Ali Shah got 3rd prize in English debate competition. The 2nd stage of the same competition was held from 12th June to 14th June in SS Club (Rest House) and Mr. Afsar Ali Shah got 3rd position..

Mr. Litafat-ur-Rehman, MA (Previous) was awarded the best organizer award by SWAS.

- **Sports:** Inter Departmental Volley Ball Tournament of Peshawar University organized by the Provost Office, Peshawar University was held in Peshawar University. The following players of Volley Ball team participated and clinched first position

Fahimullah	Jalal Shah	Khalid Saeed	Adnan Ashraf
Mudassar Usman	Khurshid Afridi	Muhammad	Muhammad
Arshad Ali			

- **Blood Donation Camps:** During September 2006- June,2007 the department arranged at least six blood donation camps with collaboration of Fatimid Foundation, Hamza Foundation, Frontier Foundation etc.

New Hostel Block-A (Boys). Capacity: 425

- March 17th 2006 the first high table arranged with the resident students of the University Authorities in the evening in the hostel dining hall. The authorities inspected the hostel premises. The Chief Guest of the occasion was Mr. Iftikhar Hussain Khan, Director Administration nominee of the Vice Chancellor for the occasion.
- First spring sports festival, 2006 of New Hostel Block-A was organized for the resident students as a part of extra curricular activities. The festival was opened by the worthy sports Gymnasium, University of Peshawar. The festival was going on for a week time. Different events were included. The resident students very actively participated in all the activities as they motivated by the hostel administration.
- The second high table was organized on May 26th, 2006 with the resident students and a formal function for the prize distribution ceremony of the winners and participants of the first spring sports festival 2006. The Chief Guest of the occasion was honorable Vice Chancellor, Prof. Dr. Haroon Rashid along with the University Senior faculty Members and Administrative Heads inspected the hostel premises and later on distributed the prize among the winners of the festival followed by a joint dinner in the hostel dining hall with the resident students.
- In April 2007 the second sports festival 2007, New Hostel Block-A was organized and opened by the worthy Provost. Prof. Dr. Farooq Swati in the Directorate of Sports in a formal function form indoor games (table tennis & badminton). After the opening the festival was going on with different

indoor and outdoor items in different venues under the supervision and guidance of the hostel administration.

- In the first week of June 2007 a formal function was organized in the sports gymnasium for the all resident student of the said hostel with a prize & certificates distribution ceremony of second spring sports festival 2007. All the students actively participated. The chief Guest as nominee of the Vice Chancellor was Mr. Iftikhar Hussain Khan. He was accompanied by the Provost senior officers, Faculty Members, Senior Wardens, Resident Wardens and the Hostel Managers on this occasion. The Hostel Proctors/Monitors and the Class Toppers among the resident student were awarded with certificates respectively. Another trend of competition was set among the hostel ministerial staff with a clear evaluation of the hostel authority, where the good workers were praised with certificates and cash money. It was very much appreciated that they are taking more interest in all positive activities.

New Hostel Block-B (Boys) Capacity: 400

Important

- Since the hostel faced a serious problem as it remained without a proper headship and vacant seat of the Resident Warden. Yet the main task was to overcome the problematic situations and set the hostel to its normal routines functions with a suitable environment for study and other co-curricular activities. Without peaceful environment any curricular and co-curricular activities are impossible.

Law and Order Situations

- Being responsible, maintenance of law and order is our foremost duty. In this regard we did a lot to remove outsiders and illegal occupants. The following rooms were vacated and regularized from illegal occupants (political, outsiders, defaulters) 7,14,15,51,52,62,67,89, 101,102,106,110,114,124,126,134,140,155.
- A big problem of the hostel was the recovery of dues from the defaulters for the last two to four years. In this connection letters were sent to such students, respective departments, controller of Examinations, and Provost Office. Moreover the students were convinced and compelled to submit their dues. As a result the hostel account rose from three lakh to more than ten lakh.
- Due to dues recovery. We were able to start the hostel mess and remained in operation successfully till 16th June 2007.
- Per day cost of the students in the said hostel is the lowest among all male hostels in the Universities.

Maintenance of Students Allotment Record

- Since the students record of the hostel was not in proper order, we collected the data from the students as well as other available resources and room to room checking. This helped authorities and administration in smooth allotment and maintenance mess register.

Monthly Staff Meeting

- For a more effective co-ordination among the staff a monthly staff meeting of bearers is held in the first week of each month. This helped us to share the problems, take suggestions and get information according to current situations of the hostel which is keynote for making strategies for the hostel and proper duty.

Physical Maintenance

- Hostel is visited regularly with hostel manager, head bearers and other staff to check the physical conditions of the hostel and make proper planning or inform the concern authorities for the maintenance. In this regard a number of works have done and much

more are pointed out to the concerned authorities. A complete report is sent to the Provost office along with the minutes and recommendations of Asstt. Provost-II and S. Wardens.

New Hostel Block-C (Boys) Capacity: 210

- From January 2007 this newly established hostel admission was started and just a quarter before is completed. Then the summer vacation was started no such activities in this regard is organized yet. But planning for the future.

Rehman Baba Hostel No.2 (Boys) Capacity: 392

- Deputy Provost Mr. Muhammad Alam and Assistant Provost Mr. Fazal Sher Khan checked this hostel on 27/12/2006 and solved the problems of some rooms occupied by illegal students and allotted to the legal card holders.
- They checked the rooms and vacated the outsiders from Room No 41, 48 and Room No 50 in the month of January
- Mr. Shakirullah senior Warden visited this hostel during the month of December 2006 and directed hostel manager/ clerk to allot the room on Seniority Basis and advised the hostel staff to ensure their presence in the hostel. Further he visited the hostel times & again during the night time and checked the hostel staff and satisfied from the duties.
- **Weakened cleaning day was observed on dates 7,14,21 in the month of January 2007 and the hostel was cleaned inside/ out side.**
- Weakened cleaning day observed in February 2007 on dates 4,11,18,25 and removed all stickers from the doors and checked all the rooms.
- Resident Warden visited the hostel on March 25, 2007 along with the hostel Manager and clerk and advised the resident and the hostel staff to be dutiful and devote themselves to provide better facilities to resident students. The Resident Warden checked the hostel all Cashbooks balances on 03/04/2007 and found these in order:

The resident Warden checked the Mess on 05.04.2007 during the lunchtime and found the mess smoothly running.

Plantation Ceremony Observed

Plantation day was observed on 20.02.2007 and some plants planted inside and outside the hostel.

Meeting Held

- Meetings have been arranged in the month of April 08.15, and 27.2007 and discussed the hostel problems with hostel staff.
- Meetings have been arranged in the month of May 2007. Noted the shortage of Water tanks and water coolers in the hostel and demand letter sent to the treasurer through the D.O.W.
- A meeting of hostel staff has been arranged on 06.06.2007 with the Reciting of the Holy Quran under the supervision of resident warden. The following points have discussed.
- The resident warden directed the night chowkidars to be alert during the night hours.
- The resident warden has stressed the hostel staff to be present in duty hours and to be punctual. In case of negligence in duty disciplinary action to be taken.

Students' Societies

Introduction

The students' of the University of Peshawar are amongst the 3% privileged ones in Pakistan who got the opportunity of admission to this prestigious seat of high learning. Apart from imparting quality education through standard academic procedure to provide skilled leadership to the society, the university equally takes care of personality building of students by a wide range of co-curricular activities. Managers of the students try their level best to use this platform as a principal vehicle for channelizing their potential for good end, give vent to their bubbly feelings, broaden their vision in the global context and refine their qualities as national architects.

Khyber Literary Club established in 1986 as a pioneer society got its legal status recognized in 1994 with the decision of the Honorable Supreme Court whereby an alternate platform has to be provided to the students to ward them off the undesirable political activities, where they were enslaved by venomous designs of political parties. In the light of this ruling, later on, nine more societies namely Adventure and Hiking Club, Blood Donor Society, Creative art Society, Culture and dramatic society, Khyber Literary Club, Peshawar University Rifle association, Science Society, Social welfare and awareness society and Sports Society were established. Khyber Islamic Cultural Society, Photo-Video Club and Folk Art and Heritage Society have been established most recently.

Vice Chancellor and Provost, University of Peshawar are the Chief Patron and Patron respectively of all the Societies, each society is looked after by an Organizer and Co-organizer. Under the overall supervision of a chief organiser, students' cabinet of each society works under the guidance of its respective organisers. The cabinet of each society bears offices of a President, Vice President, General Secretary, Joint Secretary, Media Secretary and Public Relation Officer (1 male and 1 female). Session of the Students' Societies is connected with the Academic Session which normally starts in September and continues to the end of August of next year.

Aims and Objectives

- Polish hidden good-qualities of the students
- Enhance creative potentials of the youth
- Inculcate in students the spirit of healthy competition
- Induce in individuals the sense of love, sacrifice and service to the entire Creation to make them good human-beings
- Educate students for all practical ends
- Prepare students for future challenges in the global context

Activities During the Session 2006-07

Adventure / Hiking Club

Cleanliness campaign at Bara Gali Campus was lunched from 5th to 8th June 2007. Tracking was also done there.

S. #	Course Facilitator	Topic	Venue
1.	Mr.Ibrar Muhammad Librarian	Training Course on Integrating Computer in Class room	University of Peshawar
2.	Mr.Tahir Jan Assistant Librarian	Training Course on Integrating Computer in Class room	University of Peshawar

Activities for the Next Year

- Plan for Extension of the Library Building as university community has outgrown the current library space and a considerable number of books, journals and other material are added to the library collection every year and in the result there is currently shortage of space for working staff materials storage and peaceful study.
- Establishment of new sections in the library. We are planning to open the following library sections:
 - Digital Library Section
 - Computerizations Cell
 - U.N Publication Cell
 - European Publication Cell
 - Newspaper Reading Room
- Information Literacy Programs:
 - Initiation of Departmental presentations on Digital library to the newly admitted students to
 - Create awareness on the use of E-Resources.
 - Library Orientation Program for the new Induction
 - Organizing training workshops on digital library for the departmental librarians
- Grand Book Exhibition
- Launching of Library Website
- Launching of Library Resources on Intranet
- Launching of Library Resources on Internet

University Examinations

The University of Peshawar is having a well established examination section which compromise the secrecy conduct, degree and registration wing. The functions of all wings are strongly interdependent and integrated. Each wing is managed by a Deputy Controller, whereas the controller of Examinations is heading the entire section.

The Examination section is regarded as the Lynchpin of the University. The success and failure of the University strongly depend on the optimal performance of all the constituent wing of examination section. It may also be invoked that the Examinations section conducted over 220 examinations including annuals, supplementaries, terms, save semester and practical examinations, of the Bachelor, Master / Professional. Technical levels including:

Arabic, Anthropology, Archaeology, English, History, Philosophy, Islamic Studies, Pashto, Persian, Biotechnology, Botany, Chemistry, Environmental Sciences, Geography, Urban & Regional Planning, Zoology, Journalism, Computer Science, Mathematics, Electronics, Physics, Statistics, Economics, International Relation, Political Science, Psychology, Gender Studies, Social Work, B.A/B.Sc, B.th, B.Sc (Nursing), BBA, B.Com, BCS, BDS, B.Ed, BFA, BHMS, Biotechnology, BLISc, Cardiology, Forestry, Geology, Home Economic, Human Rights, IT, LL.B, LL.M, M.Com, M.Ed, MFA, MLISc, orthropaedic, technology, ophthalmology, petroleum & material storage, postgraduate Medical Diplomas, and Vision Sciences. In these examinations a total of 109,562 students/candidates were assessed.

Moreover, the Examination section is processing and issuing thousands of degrees in absentia each year. This year a total of 17,968 degrees have been issued with break up as follows:

Bachelor	9860
Master	4916
Professional	3101
M.Phil	72
Ph.D	22

Besides issuance of degrees in absentia, degrees, medals and cash awards are also awarded on the eve of convocations. During the session six convocation were held as under:

Convocation	Dated
University of Peshawar	30.10.2006
Islamia College Peshawar	21.03.2006
College of Home Economics	18.05.2006
Khyber Medical College	11.11.2006
PAF Academy Risalpur	20.09.2006
Artillery School Nowshera	06.08.2006
Ayub Medical College	18.4.2006

Cash Award and Gold Medal Winners Convocation-2006

Students Financial Aid Office

On the advice of the Higher Education Commission and provision of Rs.0.409 million as one time grant a Student Financial Aid Office has been established in the University under the supervision of the Director Admissions for helping needy students to avail scholarships under various programs.

The Student Financial Aid Office at University of Peshawar is here to serve student body and provide financial assistance in the fairest and most efficient way possible.

This office provides students with an abundance of general financial aid information to assist students in understanding our processes and in making informed financial decisions. Prospective students and their parents are especially invited to visit for general information about university costs, the types of financial aid that are available, the financial aid process, and necessary financial aid application requirements to understand eligibility of the students for financial aid.

Mission of SFAO

The mission of the Students Financial Aid Office is to provide University Students with the timely delivery of financial assistance while maintaining accountability and proper stewardship of the public, institutional and private funds with which it is entrusted. We are committed to provide courteous service to support the academic mission and goals of the University and its students.

Goals

Negating Financial Barriers

Helping students to attend The University of Peshawar by alleviating or eliminating financial barriers can be accomplished in a variety of ways. It is the goal and obligation of this office to maximize all available resources to help meet each student's financial needs. Additionally, we strive to develop policies and procedures which address not only the needs of the entire student population, but also recognize that each student is an individual with individual needs and individual financial concerns. Another way to alleviate financial barriers is to simply increase awareness of available financial resources and provide information for accessing those resources by reaching out to individual students, parents, and the general public. Our office recognizes that financial barriers are not always long term and significant, but can also be short term and only involve small amounts of funds. We also recognize that circumstances exist which create financial barriers for many students who may not otherwise be considered needy. Because of this, we continue to strive to provide options for every student and every situation.

Minimizing Procedural Barriers

The availability of financial resources for students can be meaningless if students cannot access resources because of cumbersome and/or incomprehensible procedures. Procedural constraints are inherent to the student financial aid process, because of the

very nature of regulations and other requirements. It is the responsibility of this office to develop systematic processes that will provide financial aid funds as efficiently and expediently as possible to students. Further more, it is also our responsibility to develop procedures that will facilitate a student's ability to apply for and receive funds with a minimum of problems and obstacles, while also permitting us to fulfill our fiscal responsibilities and ensuring that our procedures adhere to regulations, statutes, and all donor requirements.

Scholarships Awarded To Students

A total of scholarships / free ships were awarded during the year by different sources like District Zakat Committees, FATA, Higher Education Commission US Aid and from University own sources to support talented but needy students.

Scholarship	Source	No of Students	Amount
Mora	District Zakat Committees	206	1,262,950

Media and Protocol Office

A recently established Media Protocol Office has the following functions:

- To highlight and project all the academic and co curricular activities on the campus for image building of the university in media.
- To make arrangements of media coverage for all official functions on the campus.
- To issue press releases to media about meetings of the Vice Chancellor and other high ups with the delegations.
- To issue such write ups and photographs (after due permission of the competent authority) to media for more image building of the university.
- To feed the university website on regular basis to provide people with up to date information about University of Peshawar across the globe.
- To send monthly progress reports to “News and Views” of the Higher Education Commission, Islamabad.
- To arrange interviews for the Vice Chancellor with the print and electronic media.
- To have close links with the Campus Radio and Campus Bulletin.
- To arrange press conferences and briefings for the Vice Chancellor on regular intervals in order to ensure maximum coverage of the varsity.
- To have cordial relations with the media to refrain from any sort of negative news before publishing.
- To coordinate with all the Deans of faculties, Chairmen of the departments, Controller of Examinations, Directorates of Sports, Administration, Admissions, Quality Enhancement Cell, Vice Chancellor’s Secretariat, Provost Office and Principals/Heads of constituent schools, colleges, institutes of the varsity for coverage of their activities.
- To arrange briefings about the university to the foreigners who visit us.
- The office is also working on to establish an audio/visual library of all the activities on the campus.
- The first ever newsletter of the University of Peshawar is also published in September 2007, by the same office.
- The same office has arranged a press conference (Meet the Press) for Vice Chancellor, UoP in April, 2007. Around 25 senior journalists from electronic and print media channels participated in it.
