## ASSOCIATE DEGREE PROGRAM

### Jinnah College for Women

University of Peshawar

#### Messages

Vice Chancellor

It is a matter of pride and honour for me to welcome and share the pride of all the students of Jinnah College for Women (JCW) on becoming part of this prestigious institute. This institute being one of the best is the dream of many in Khyber Pakhtunkhwa. Since its inception in 1964, Jinnah College for Women has consistently provided to be a beacon for the feminine youth of Khyber Pakhtunkhwa, enlightening generations. The education given at JCW extends far beyond mere academics, which is only one aspect thought, according to the set syllabi of

BISE Peshawar/University of Peshawar. The personalities of students that enter the College are molded with knowledge, integrity, decency and honesty carving a spirit that proves indomitable in any profession they may choose to pursue. Females are future up bringers. It cannot be overstressed to conclude that students who are great academicians and have honesty, integrity and decency kneaded in their conscience will train future generations who will prove to be the pillars of any invincible society and community.

University of Peshawar has been a source of trends and inspiration for the knowledge loving people of this area for more than a century, and Jinnah College for Women, being a constituent College has really contributed laudable services in facilitating female students.

I do hope that the faculty will continue to maintain their professional zeal and certainly students will thrive, their best to be beneficial from conducive, academic, environment of Jinnah College for Women.

I am looking forward to your success so that you make a difference.

*Prof. Dr. Muhammad Idrees*

Principal

The Jinnah College for Women, University of Peshawar is one of the foremost female colleges of Khyber Pakhtunkhwa. Its students take great pride in being associated with it for getting admission into this prestigious institution is a herculean task. Merit is its only criteria and this is reflected in the excellent results the College produces session after session. The College has grown over the last fifty years from a small University College of a few students and a small teaching and administrative staff into a tremendous institution of two thousand students and a staff of over a hundred. The credit goes to the former Principals and Staff whose dedication to the College has produced an

institute, the Province can be proud of.

My main aim and objective is to make the Jinnah College for Women a very strong institution so that it can stand the test of time and will over the years to come work for the benefit and progress of our nation. I want it to be a College where not only great emphasis is stressed upon a good academic record but also great importance is given to good conduct and behaviour. Jinnah College I hope will produce students who prove to be confident and successful in all walks of life.

I want Jinnah College's significance and importance in the promotion of female education realized and appreciated. As a parent, a teacher and a responsible citizen, I

believe that unanimously, over the years, the one desire that is seen growing among Pakistani girls is the desire to acquire an education. In a country where more than 61% of the population lives below the poverty line, female education takes a back seat. Furthermore, this gender disparity in education is growing into a major issue. I strongly believe we can make efforts to overcome this growing problem if we work diligently and selflessly towards the development of an institution that is not only progressive but also promotes a standardized education that will benefit not only our students, but also our society and our future generations.

*Prof. Dr. Tazeen Gul*

# Associate Degree

## Honorable Staff of the College

Associate Degree is two years (4 semesters) programme to be offered, after intermediate (12 years) or equivalent education, at the affiliated colleges and within the constituents' departments/institutes/colleges of University of Peshawar, where there is no BS program as directed by HEC.

This will provide an alternate option to the students of BA/BSc and may be an integrated type program among the relevant departments/institutes/colleges under one faculty or faculties.

The ADA and ADS may be started from Fall 2020-onwards and may be extended to all the constituent's colleges/departments/institutes.

There will be two possibilities for students after the completion of ADA/ADS

- They may be admitted in the University or Colleges in 5<sup>th</sup> semester with the BS students and a separate BS 2-years degree will issued to them.
- They may be admitted in the University or colleges in two years program (BS 2-years) separately if the University starts a two-year program for them.

## Introduction of the College

The College was founded by the then Vice-Chancellor, Chaudhry Muhammad Ali (S.Pk) of the University of Peshawar in July 1964. Formerly called University College for Women, it was renamed Jinnah College for Women in 1976. To commemorate Muhammad Ali Jinnah's devotion and commitment to University of Peshawar, Jinnah College for Women was established from where the rays of light would radiate to Central Asia and go far beyond. It shares the motto of the University and has firm faith in the words:

رَبِّ زِدْنِي عِلْمًا

Lord! Advance me in Knowledge

The College is located on the University Campus. The Tribal Hostel for Girls and a spacious playground flank it. It shares its hind wall with another female college, the College of Home Economics.

The College offers ideal opportunities of Intermediate and Bachelor level education and B.S Studies Economics and Chemistry to the children of the employees of the University of Peshawar and other sister institutions on the Campus, as well as the deserving and meritorious young learners across the Province. Its aim is to produce enlightened and progressive young women capable of serving Islam and Pakistan. The College strives to give its students educational opportunities that

would enable them to develop a positive and healthy attitude towards life and humanity.

### Vision:

- To inculcate in students a sense of competition, co-operation, dedication and the recognition of human and individual worth.
