### MISSION

The University of Peshawar, a future-oriented and unique institution is committed to achieving excellence in the undergraduate and graduate education, research and public service. The University provides superior and comprehensive education opportunities at the baccalaureate through doctoral and special professional educational levels. The university contributes to the advancement of society through research, creative activity, scholarly inquiry, and development of knowledge. The University preserves and promotes arts, benefits the nation's economy, serves the citizens through public programs and is dedicated to the production of quality human resource for the knowledge-driven development of the country.

### VISION

To be a prominent public sector university in the South Asian region, recognized for its global perspective, diverse and supportive learning environment, having international reputation in research and creative discovery and emphasis on leadership development.

### GOAL

To love and to serve the entire creation of the Creator.

## VICE CHANCELLOR'S MESSAGE

It is a moment of great pleasure for me to welcome all prospective students to University of Peshawar, the most respected institution in Khyber Pakhtunkhwa. University of Peshawar is a home to talented students for the past six to seven decades. It has provided distinguished scientists, politicians, members of the judiciary, bureaucrats and managers to the province in particular and the country in general.

I assure the parents that their beloved children will be helped to the best of our ability in achieving their academic goals and in shaping their personality in order to be good citizen of the country and be productive to the society. Apart from making a smooth transition to the practical life, they will also be exemplary human beings after their graduation.

We have world class faculty members and state of the art facilities and we are keeping on improving the quality day by day. We are replenishing our laboratories on regular basis. We have modern sports facilities for keeping our students mentally and physically healthy.

I am confident that the parents and the students will trust University of Peshawar for its excellence in teaching and research.
