INTRODUCTION

MISSION

The University of Peshawar is a distinguished institution renowned for its commitment to academic excellence at the MS, MPhil, and PhD levels. With a focus on fostering advanced knowledge, critical thinking, and research innovation, the University offers a diverse range of graduate and doctoral programs designed to equip students with the expertise required to address complex academic and societal challenges. Through its rigorous curriculum, state-of-the-art facilities, and dedicated faculty, the University aims to cultivate a community of scholars who contribute meaningfully to their fields and drive progress in both local and global contexts.

VISION

To establish itself as a leading public sector university in South Asia, renowned for its global outlook, inclusive and supportive learning environment, intentional acclaim in research and innovation, and a strong focus on nurturing leadership and excellence.

GOAL

To love and to serve the entire creation of the Creator.

VICE CHANCELLOR'S MESSAGE

"We don't just educate minds, we awaken purpose. In these halls, dreams gain structure and ambition finds direction."

Meritorious Prof. Dr. Johar Ali
Vice Chancellor

The University of Peshawar stands as the cornerstone of education in this region, playing a vital role in its development and intellectual growth—a mission that continues to thrive. I feel privileged to have had the opportunity to study, teach, and now lead this esteemed institution. As higher education evolves, so too must our strategies to equip the next generation for the challenges of the future.

At the University of Peshawar, we are committed to advancing both ancient sciences and contemporary knowledge. Our dedicated and experienced faculty is tirelessly working towards this goal. We aim to create an environment and provide facilities for our students that mirror those found in leading institutions around the world. To achieve this, we will maintain close collaboration with government bodies, educational institutions, and our alumni network, enhancing our connections with national and international organizations focused on education and research. We are also dedicated to creating practical training opportunities for our youth.

Currently, universities across the country are grappling with financial challenges, and the University of Peshawar is no exception. With over 20,000 students and a large staff, the impact of inflation and limited financial resources has been significant. We will prioritize working with the government to address these issues.

The University of Peshawar boasts one of the most beautiful campuses globally, offering a vibrant academic and residential atmosphere. We are committed to enhancing this environment and providing even more facilities for our students. Our students are our greatest asset, and we strive to offer comprehensive academic, research, residential, and extracurricular support. We will revitalize student societies and promote healthy activities and initiatives. Additionally, we will implement measures to foster a safe campus environment, steering students away from drugs and other harmful behaviors.

We seek the support and collaboration of parents in this endeavor, as together we can make a significant impact. My aspiration is to restore the prestige of this alma mater and elevate it to the ranks of world-renowned universities.

ELIGIBILITY CRITERIA ADMISSION SCHEDULE

ELIGIBILITY CRITERIA & ADMISSION SCHEDULE

ELIGIBILITY CRITERIA FOR MS/MPHIL & LLM

- Sixteen years of schooling or 4 years education (minimum 120 credit hours) after HSSC/F.A./F.Sc/Grade 12 or Equivalent.
- At least 50% passing score in GRE/GAT/HAT General/Equivalent test or University own test.

Eligibility of the Candidate on the basis of Intradisciplinary Qualification

- Intra-disciplinary admission may be granted to an applicant only, if:
 - The candidate has a strong interest in pursuing an MS/MPhil/LLM degree in a different discipline.
 - The candidate has passed GRE-Subject/equivalent test with minimum 50% marks in the discipline of admission and has taken 6-9 CH of deficiency courses of level 6 as per the National Qualification Framework 2015.
 - The GSC is satisfied that the applicant's knowledge of primary area (level 6) has sufficiently prepared the candidate to undertake the course of studies of the MS/MPhil/LLM (or, in the opinion of the GSC, the preparation can be deemed satisfactory by taking a few additional relevant courses after starting the program). The eligibility criteria for the Intra-disciplinary admission shall be determined by the GSC of the concerned department.

ELIGIBILITY CRITERIA FOR PhD

- Candidates possessing MS/MPhil/LLM (Research-based/minimum 18 years of education) / equivalent degree with at least CGPA of 3.0 (out of 4 in semester system) or 1st Division (in annual system).
- Candidates possessing MS Course-based (minimum 18 years of education) / equivalent degree with at least CGPA of 3.0 (out of 4 in semester system) or 1st Division (in annual system), and having one published research article in HEC recognized journals (at least 'Y' category) as principal or corresponding author.
- If the CGPA/Percentage is not mentioned on the transcript, the candidate must produce equivalent weightage from the parent University.

ADMISSION TEST

- The University may conduct the test equivalent to GRE/HAT General developed at the University, with the passing score of 60%; or
- Accept a test equivalent to GRE/HAT/GAT General, conducted by testing bodies accredited by HEC, with a passing score of 60%.
- The applicant shall submit a statement of Purpose along with the application form. It shall be an integral part of the application. The admission committee shall use the information provided to ascertain the preparedness and interest of the candidate in pursuing doctoral studies, and whether the department has the requisite resources to train and supervise the doctoral candidate in the subspeciality in which the applicant is interested. A statement of purpose shall, at least, include the following:
 - Title of the potential research proposal
 - Clear articulation of the current understanding of the intended field and ideas for potential research
 - Explanation of the intended impact of the proposed research
 - The prospective candidates shall demonstrate passion and enthusiasm for the area of research.
