Brief Profile

I am currently working as Associate Professor at Pakistan Study Centre, University of Peshawar, Pakistan. I have done my PhD in the discipline of Pakistan Studies from University of Peshawar, Pakistan. I have also availed a three months research fellowship in Department of Politics & International Relations, University of Oxford, UK. I am currently teaching a number of modules to graduate and research students of the university. My area of interests is Electoral Politics, Comparative Politics, Electoral Democracy, Voting Behaviour, Elections, Gender Politics, and Qualitative and Quantitative Methods. I have published my research in various national and international journals. In 2016, I completed a research project as the Principal Investigator, funded by the Charles Wallace Trust, United Kingdom and the British Council, Pakistan. From 2021 to 2023, I also served as a Research Assistant and Data Analyst for a project funded by the University of Sussex, UK.
